MESSAGE

I am happy to know that **Bal Bhavan Public School, Mayur Vihar-II, Delhi** is bringing out its Annual Magazine "Badte Qadam".

School Magazine is a creative platform that presents unique opportunity to the students to express their literary talent, besides nurturing their editorial skills. Write-ups in different genres enrich the content of the Magazine and help build the profile of the School in the eyes of all the stakeholders - teachers, parents and the management.

I hope, the School Magazine will carry interesting literary pieces for the benefit of its readers. I wish the publication all success.

(Dharmendra Pradhan)

Message

I am delighted to learn about the upcoming publication of the Annual School Magazine, titled 'Badte Qadam-2023-24', by the 'Bal Bhavan Public School' Mayur Vihar, Delhi. The school's Annual Magazine serves as a significant platform for the students, enabling them to articulate their thoughts, ideas, perspectives, and creative expressions through various literary and artistic mediums. Furthermore, it serves as a reflection of the school's identity, encapsulating its hopes, ambitions, and accomplishments.

It is imperative for educational authorities, teaching staff, management, and parents to collectively ensure the holistic development of every student, fostering their growth into responsible citizens. I am delighted to learn that 'Bal Bhavan Public School', Mayur Vihar, Delhi, has consistently exemplified this ethos by providing quality education across all societal strata and empowering students to realize their potentials. The school's commitment to value-based secular education and the holistic development of students serves as a commendable model for others to follow.

I extend my heartfelt appreciations to the school for taking the initiative to produce the magazine, and I offer my warmest wishes to the management, faculty, parents, and students for continued success in all their future endeavours.

(Himanshu Gupta, IAS)
Secretary

Late Sh. G.C. Lagan

(Founder Chairman)

(16th August, 1934- 23rd December, 2014)

"In the realm of transformation, propelled by the luminous spirits of visionary changemakers and extraordinary leaders, Sh. G.C. Lagan emerged as an enduring beacon of inspiration for all within our community. His legacy is not merely a narrative of achievements, but a profound saga of courage and resilience, igniting a collective resolve to confront challenges with unwavering determination.

The towering legacy of Sh. G.C. Lagan serves as the cornerstone upon which the majestic structure of Bal Bhavan stands, embodying his timeless principles and ideologies. It is a testament to his unwavering commitment to the ethos of 'Goodness before greatness,' a philosophy that transcends mere success to prioritize integrity and benevolence. His steadfast convictions were meticulously crafted to mold and nurture young minds into future leaders and nation-builders. Each decision, each directive emanated from a singular motive – to cultivate goodness and imbue values within students, fostering a culture of excellence and ethical conduct.

Sh. G.C. Lagan's profound influence continues to resonate through the arenas of Bal Bhavan, inspiring generations to embrace challenges as opportunities for growth and transformation. His life's journey serves as a timeless reminder that true greatness lies not in accolades or accomplishments, but in the enduring legacy of kindness, compassion, and unwavering dedication to shaping a brighter future for all."

Mr. Bharat Bhushan Gupta (DIRECTOR)

“As we step into another exciting session with glories and achievements adding into our bounties, I am delirious to look at the year gone by, with several thrilling moments and opportunities that gave us delightful experiences. I congratulate my students and staff members for standing as firm support in navigating through challenges and alongside sharing and celebrating joys and achievement along with us. As we bask in the glow of our achievements, let us not forget the weighty responsibility bestowed upon us to sustain this momentum. It is through steadfast dedication and unwavering integrity in our actions that we aspire to scale greater heights. As the institution marks its 57th milestone, I am filled with joy witnessing our students harmoniously embracing our mission and vision. In an era where technological advancements and progressive ideologies shape individuals, it is heartening to observe our students seamlessly integrating into this landscape while upholding cultural and ethical values as the cornerstone of their demeanour. With each passing year, my anticipation look forward to the journey ahead, brimming with aspirations for further accomplishments and cherished moments to adorn our path.”

Mr. Vividh Gupta
(PRINCIPAL)

**“Each year gone by add vibrance to our personality and refine
our actions to proceed forward in our journey ahead”**

As we have navigated through another academic year, I am inspired by the incredible energy and potential of each of my associate, which has shaped greater prospects for our mutual growth.

In our proceed towards another prolific year, I believe that more industrious hands help produce greater edifice of success. With cooperation and collaboration, we better solve problems. However, when we work in group, there has to be mutual respect, empathy and feeling of coordination in us, and at the same time we need to be grounded in our approach. I believe adding these qualities to our personalities would help us transform societies into harmonious communities. In our diverse school family, we are fortunate to have opportunity to learn from one another, understand perspectives that are different from our own and thus we may grow together. Working together, sharing ideas, and supporting one another contributes to our collective achievements. I believe our success is not isolated, it is rather intertwined with the success of our peers and associates. As I admire Inclusivity, which is a celebration of diversity, I believe accepting differences as one's uniqueness, and embracing them with positivity would create a rich tapestry of experiences and perspectives. Be inclusive in approach where everyone around you feels valued, respected, and accepted. This not only enhance the quality of our interactions but also prepares us for a world that thrives on collaboration and understanding. Never be contented of what you have achieved, rather keep exploring the horizons of knowledge, be curious, and embrace every opportunity that comes your way. Education is not just about textbooks; it's about cultivating a mindset that seeks continuous learning and embraces challenges as opportunities for growth. Believe in your wings and spread them to soar to new heights The world is filled with opportunities waiting to be seized by diligent individuals. As we embark on our respective journeys, we should remember that our actions have power to shape not just our future but the future of those around us.

Ms. Kavita Mehrotra
(Headmistress)

“Little buds blossom best in the calm and positive environment.” With world full of chaos, competitions and confusions, it’s necessary to create blooming environs for children where they rejoice every moment and learn constructive knowledge. As elders it’s our responsibility to cater to child’s need but not every demand. Oftentimes as parents we try to fulfil all choices of our children; for we find it best to express our love from them, but as it is said, our children need ‘our presence more than presents’, it is imperative to spend time with our children, talk to them, know about their daily schedules, their likes and dislikes to stay updated about their lives. It is certain, that the times are busy and challenging for parents in genuine and we are often perplexed in our daily chores, but let’s understand, children who are the future leaders, are our responsibility and a diligent duty. Let’s not forget that our tensions disperse amongst them adding complexities in their day-to-day behavioural patterns. Let’s not pose a future full of challenges, for our kids rather add euphoric wonders and opportunities awaiting for them ahead.

At National Teachers' Conference on Guidance and Counselling... Guwahati, Assam

NATIONAL TEACHERS' CONFERENCE on Guidance and Counselling - Day 2

12K views 3 days ago ...more

CBSE Training Unit 220K

With the National Education Policy 2020 (NEP 2020) emphasizing upon the holistic approach to student development, concentrating on both cognitive skills and socio-emotional growth, school principals across nation gathered to address these crucial topics at the 'National Teachers' Conference'. This event, organized by the Central Board of Secondary Education (CBSE), took place in Guwahati, Assam, in the month of October. Our school's Principal, Mr. Vividh Gupta, participated as a paper presenter, sharing his insights on the theme: "Identifying Socio-economic Challenges Faced by Students."

The conference was attended by notable figures, including the Governor of Assam, Sh. Gulab Chand Kataria, who acknowledged the innovative ideas presented and underscored the importance of addressing the issues raised during the event. The presence of other distinguished dignitaries added to the significance of the conference.

Throughout the conference, attendees gained valuable knowledge on the core elements of NEP 2020 and engaged in meaningful discussions that highlighted the need for educational reforms in line with holistic development. Mr. Gupta's presentation not only addressed key socio-economic concerns of students but also sparked conversations on effective solutions and strategies to support student growth. Overall, the conference provided a platform for educators to share experiences and cultivate a deeper understanding of the future of education in India.

Principal, Mr. Vividh Gupta has been a part of Taiwan School Educational Exchange Program Principal's Meet organised by Taiwan Embassy

Advancing our efforts to foster cultural exchange and international collaboration, the school Principal, Mr. Vividh Gupta, embarked on an official tour to Taiwan. The educational tour was organised by Ministry of Education, Taiwan, and the Taipei Economic & Cultural Centre.

The primary objective of the visit was to explore the Taiwanese education system and establish connections with local educators. This involved participating in immersive experiences and observing classroom activities to gain insights into teaching methodologies and educational practices in Taiwan.

During his visit, Mr. Gupta had the opportunity to tour several key educational institutions, including Taipei Wenhua Elementary School, Taibei International Bilingual School, Taichung Municipal Wenhua Elementary School, and National Puli Industrial Vocational High School. These visits provided a comprehensive view of the diverse approaches within the Taiwanese schooling system.

Through these interactions, Mr. Gupta gathered valuable knowledge that can be applied to improve our school's educational practices. The tour also facilitated meaningful exchanges with the principals and representatives of our partner schools in Taiwan, paving the way for ongoing collaboration and mutual learning.

The visit was a rewarding experience, offering fresh perspectives on education and strengthening the ties between our institution and the Taiwanese education community.

Gathering remarkable experiences and becoming part of...

INCLUSION IN EDUCATION : THE SALAMANCA ANNIVERSARY AND THE GLOBAL INCLUSIVE SCHOOLS' FORUM

Mr. Vividh Gupta's exclusive visit to UNESCO Headquarters, Paris

In an event that marked a significant milestone for Bal Bhavan Public School, our esteemed Principal, Mr. Vividh Gupta, was invited to represent our Nation and the school as a delegate at UNESCO's headquarters in Paris. The prestigious invitation was to be part of an exclusive Principals' summit dedicated to the theme of Inclusive education, commemorating the Salamanca Anniversary. The event, aptly named "Celebrating Inclusion in Education: The Salamanca Anniversary and the Global Inclusive Schools' Forum," drew educational leaders from around the world to discuss, innovate, and collaborate on the critical topic of inclusive education in schools.

The summit was a blend of intellectual rigor and collaborative synergy, designed to bring educators from across the globe together to share best practices and brainstorm new approaches to making education accessible and inclusive for all students. Mr. Gupta participated in a series of panel discussions, where he shared insights into Bal Bhavan Public School's dedication to inclusivity and the concrete practices, we have implemented to ensure that every learner, regardless of background or ability, has access to quality education.

The opportunity to engage with key representatives of UNESCO and engage in constructive interactions were invaluable, for Mr. Gupta offering a broader perspective on global trends in inclusive education and presenting a platform to showcase the innovative initiatives undertaken by Bal Bhavan Public School. Mr. Vividh Gupta discussed the school's unique strategies, which include personalized learning paths, adaptability and accessibility along with specialized support systems for students with diverse needs, and community-based programs to foster inclusion beyond the classroom.

As a delegate at this distinguished summit, Mr. Gupta not only had the chance to learn from international education experts but also had the privilege of contributing to the larger discourse on inclusion. His participation underscored the ethos and ideologies of Bal Bhavan Public School, demonstrating our commitment to ensuring that "every learner matters." The involvement at the summit has been a matter of great pride for the school community and reflects our ongoing dedication to fostering a learning environment where all students can thrive.

Voicing His Opinions

- Mr. Vividh Gupta

Motivation

Keep future line workers motivated

Teachers are future line workers and need to be motivated at all times. All they need is a little encouragement and gratitude

Smooth seas do not make skillful sailors," is a famous African proverb that guides almost every aspect of an educator's life. During the pandemic, Edu-warriors confronted the challenges that redefined the conventional norms in education.

A teacher is but a human and expects gratitude. Few words of wisdom and motivation keep them going. Unfortunately, in our society teaching is seen as the last career option for various reasons. Preparing for the lessons, worksheets, assessments, feedback may sound as mandatory tasks but the involvement needed to ensure student engagement is immense.

Other dynamics that adds to the motivation level is the professional development and growth of an individual educator. Today, the educators have assumed the role of the 'Future Line' workers. While it is true that the self-motivation is the key to success but Edu Leaders across the nation came together to ensure that enough opportunities are created for teachers to undergo requisite training to deliver appropriately in the virtual world.

Today, it is a prime necessity to ensure mental well-being of the teachers accompanied by constant motivation, not only in the direction of making educational breakthroughs but to stay optimistic. It is time that we join hands to develop a blueprint that accompanies emotional, moral, personal and professional growth of the educators. A system where teacher is not just a facilitator but also facilitated. Our institutions must be equipped for teacher counselling, motivation sessions, activities for emotional outlet and group discussions, open platforms for their voices.

It is time India realizes the power that today's educators embrace to transform the future of this nation. It is for sure that if our teachers remain motivated we will see engaging classrooms where students would grow holistically and this is exactly what National Education Policy 2020 focusses upon. ▶

Empowering Education Enriching Lives

The Era of New Education

As we proceed towards an era of reformation in education

Mr. Vividh Gupta
Principal,
Bal Bhavan Public School,
Mayur Vihar Phase-2 Delhi

Where COVID-19 pandemic has been a reformation to the education setup digitally, with all new meaning and definition, we are now in an Era, where education system has bloomed magnanimously; a hybrid amalgam of traditional and advanced with new age teachers addressed as certified 21st century Educators. In strong conviction to the fact that nothing can replace traditional education pattern completely, in a nation where we follow the practice of 'Gurukulani' and students grooming well with their teachers' guidance and mentorship... "physically", it's beautiful that the hesitant teachers once- wondering thoroughly upon the digital techniques, are now comfortable rather proficient in incorporating digital means in their day-to-day teaching and educating practices.

I am a firm believer of change which is evident and no wonder, we can never overlook the learnings we underwent in past two years...but today, with the reopening of the schools physically in full bloom and NEP-2020 at its application stage... I think it would be astounding experience to perceive education at an ultra-advanced. With an offset stress upon 21st century teaching learning and application skills, it was a much needed transformation in the field of education.

Educators today find themselves incomplete without ICT resources, Art has become a key aspect of everyday teaching practices... teachers perfect at their subject content, are now rigorously designing methods and techniques that could trigger their pupils to think beyond their learning and apply it in varied situations. The guidance of teacher is supported by technical tools which make learning a better experience.

And simultaneously, it's all more amazing seeing young prodigies now in a framework of 21st century learning, whose key attention is not at grasping content but rather accumulating a three-dimensional view of their learning and knocking it to work even farther than the set norms. It's extra-ordinary that the little kids today are applying their ideas to new emerging problems and find solutions to the same through their critical thinking. They are creative enough to branch out their learning to various situations and add on their experience to create a new venture all together.

I believe never in the history education has seen such a transformation and indeed an appreciable one, which can be seen as a solution for upcoming eras, and technically a well incorporation and utilisation of human resource and intellect. In the coming era I look forward to even advanced means preparing the youth of today future ready and ready to face all hurdles and shining inexpressibly.

Revelations of Lockdown Challenge to Charting a new course....

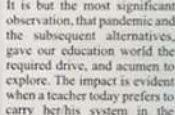

With the elapse of two academic sessions, the education world has gone through the most derailing and unconventional experiences. Given only a constrained set of alternatives amidst the worldwide pandemic, educationists somehow managed to keep up the hopes, aided by virtual fronts and the extensions it provided. During Lockdown, E-learning tools and virtual classrooms turned out to be the safest and most convenient options, but still there remained a void that went on to impact every stakeholder, be it teachers, students, Edu Leaders, or parents.

However, with things resuming back to normal and the apprehensions subsiding, we are due on a course to a normal school routine once again. But no matter how hunky-dory the situation seems to be, the truth is that this course is easier charted than taken. This seemingly achievable task comes with several challenges which shot up during the past two years, where we integrated a redefined curriculum into the students' academic routine. With almost no, or little scope for co-curricular learning, lack of physical proficiency, and regression amongst students, today we are left with individuals who would now find the conventional school routine cumbersome and obligatory. Our students, who have been at their places consecutively for two

PW SPOTLIGHT FEATURE

Indu Sharma
Principal

period has contributed to eradicating the "generation gap" that persisted between the mentors and the mentored. It is but the most significant observation, that pandemic and the subsequent alternatives, gave our education world the required drive, and acumen to explore. The impact is evident when a teacher today prefers to carry her/his system in the classroom and make use of the E-resources, even when at liberty to teach in a conventional manner. Becoming the learners themselves, teachers are no longer bound to the rigid end, they have stepped up closer to the students' perspective and thus are better equipped to aid the children, academically and emotionally. The silver lining in the darkness was not just defined by the global vaccination drive, or achieving herd-immunity, but it was also to find meaning and purpose in desperate times while coming out as winners cradling new lessons of life. Thus, disguised as an opportunity, this challenge gave us new hope and direction to sail further on an exploratory venture.

POST-LOCKDOWN CHALLENGE

'Now teachers are better equipped to help students'

With the elapse of two academic sessions, the education world has gone through the most derailing and unconventional experiences. Given only a constrained set of alternatives amidst the pandemic, educationists somehow managed to keep up the hopes, aided by virtual fronts and the extensions it provided. During the lockdown, e-learning tools & virtual classrooms turned out to be the safest and most convenient options but still there remained a void that went on to impact every stakeholder - be it teachers, students, edu leaders or parents.

Post-lockdown, the teachers are well-versed in the use of technology, writes principal Vivith Gupta.

However, with things resuming back to normal and the apprehensions subsiding, we are due on a course to a normal school routine once again. But no matter how hunky-dory the situation seems to be, the truth is that this course is easier charted than taken. This seemingly achievable task comes with several challenges which shot up during the past two years, where we integrated a redefined curriculum into the students' academic routine. With almost no, or little scope for co-curricular learning, lack of physical proficiency, and regression among the students, today we are left with individuals who would now find the conventional school routine cumbersome and obligatory. Students, who have been at their places consecutively for two years, with only a crisp set of visits to school, have now fashioned a routine that makes the usual school patterns almost outdated for them.

The students have developed a shrunken sense towards the usual academic procedures. Due to their enriched and resourceful environment at home, it is difficult for them to cope up with things such as exams in offline modes, or assessments in the physical classrooms.

Thus, along with the academic gaps which are to be bridged, the foremost requirement is to help the students get on with a routine, which will now be new to them.

Undoubtedly, it's a challenging task, but believe it or not, cradles the hope of strengthening the teacher-

student relationship, more than ever. It is because, for the first time, the teachers are somewhere at almost a similar pace with their students. Thanks to the technological mandates, the teachers are way sounder with the digital world. They can see and explore for themselves the source of attraction, that virtual world had been for the children for so long. Now, instead of dismissing the idea of tackling tasks digitally, they themselves suggest such alternatives to students. Unintentionally, this period has contributed to eradicating the "generation gap" that persisted between the mentors and the mentored. The pandemic and the subsequent alternatives gave our education world the required drive, and acumen to explore. Becoming the learners themselves, teachers are no longer bound to the rigid end. They have stepped up closer to the students' perspective and thus are better equipped to aid the children, academically and emotionally.

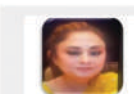

The silver lining in the darkness was not just defined by the global vaccination drive, or achieving herd immunity, but it was also to find purpose in desperate times while coming out as winners cradling new lessons of life. Thus, disguised as an opportunity, this challenge gave us new hopes and direction to sail further on an exploratory venture.

Stress...anxiety...panic...Exams on board

Kuldip Kaur
Principal
GHPS, Tilak Nagar

Indu Sharma
Principal

With the month January rolling over, the fear of examination is one stress that stresses the young prodigies of various classes and when it comes to CBSE board examination, the anxiety multiplies. I believe the situation doubles due to family pressure, the strain of performing better, the fear of losing in the race, which makes it a do or die situation, which unfortunately lead them fall for undesirable step which risk their lives.

Despite all articles, counselling sessions and advertisements claiming 'marks don't matter', let's all accept and acknowledge that marks do matter at all stages of examination, be it CBSE, JEE, UPSE, or any competitive examination, however, since the opportunities are tremendous, the lesser aggregate or score really doesn't prove that 'you cannot do great in your life', hence to strain yourself about marks and competition isn't worthwhile.

The question is, why do we strain ourselves???, either we are not prepared well or we are just panic that we

COVER STORY

Vivith Gupta
Principal
Bal Bhawan Public School, Mayur Vihar Phase-2, Delhi

Bal Bhawan Public School has embraced the transformative power of Artificial Intelligence (AI) to revolutionize its teaching pedagogy. By integrating AI-driven technologies into educational practices, the school has created a dynamic and personalized learning environment for its students.

AI-powered adaptive learning platforms assess individual students' capabilities and learning styles, tailoring the curriculum to meet their specific needs and pace. This approach ensures that each student receives a customized educational experience, optimizing their academic growth. Moreover, AI-driven chatbots provide instant assistance, answering queries and clarifying concepts, thus enhancing students' engagement and understanding.

FOCUS ON INCLUSIVE SCHOOL

'In light of New Education Policy 2020, we can expect that we will now be able to raise empathetic and sensitive citizens'

India is soon to complete 75 years of its independence. Our nation is known for its diversity, but unfortunately, we fail to understand the true essence of being diverse.

We teach our students the principles of our Constitution defined in its Preamble that we are sovereign, socialist, secular, democratic and republic. We promise equality of status and opportunity to all. However, the soul of equality is not understood in its true entry. We limited equality to men and women, Hindus and Muslims, Sikhs and Christians, majority and minority. We somehow missed to talk and highlight about the equality to transgender, equality to the less abled, less privileged.

Accepting differences and allowing the students to grow at their own pace adds strength in realising the vision of NEP 2020, writes principal Vivith Gupta

But, today with the emergence of New Education Policy (NEP) 2020, we see a ray of light and hope. We can expect that we would now be able to raise empathetic and sensitive citizens.

The policy clearly highlights the need for equitable and inclusive education system: education for all, paving way in forming equitable society. There have been many policies and reforms that promote inclusion including the RPWD Act 2016 and provisions for SDGs in education.

These policies and reforms have been in existence for some time now. Though in a right direction but still not able to mark its point. Because, simply having these policies and reforms won't be enough, there is an urgent need to address this at the grassroots level.

School leaders and educators have been discussing about inclusion and how to address it in mainstream education. The sensitivity with which the school heads are considering inclusion is one of the key concerns has slowly but gradually given thrust in bringing the much-awaited change in the people's mindset.

There is always an aversion to change but a determined school leader would consistently through actions would lead as an example.

Vivith Gupta, principal, Bal Bhawan Public School, Mayur Vihar

'SCHOOL HAS TAKEN MODERN APPROACH TO BOARD EXAMS'

A school board exam for Class 11 and Class 12 began on Thursday, April 14. The principal of Bal Bhawan Public School in Mayur Vihar, Vivith Gupta, shared insights on the recent changes in the education system, the pressure of students, parents, and the impact of the Common University Entrance Test (CUET) on learning methodology.

With the increase in competency-based questions and reduced weightage for short and long answer-type questions, how does this affect Class 11 and 12 students? The shift towards competency-based questions is beneficial for students, allowing them to demonstrate practical skills and critical thinking skills for real-world situations. This approach not only deepens students' subject understanding but also measures their problem-solving capabilities. The addition of a few practical questions across almost all subjects further benefits students by offering more opportunities to build their knowledge and progress throughout the year, rather than relying solely on a final exam. This comprehensive evaluation method fosters ongoing learning and development.

With the introduction of CUET, the school has taken a modern approach to board exams, writes principal Vivith Gupta.

While CUET has led students to explore additional preparation methods, including coaching, it remains a challenge for regular classes, given the trend towards CUET.

In writing the final marks in Class 12 exams considered mandatory for higher education, the school has taken a modern approach to board exams, writes principal Vivith Gupta.

FROM THE PRINCIPAL'S DESK

'It is imperative to embrace exams not as daunting hurdles but as celebrations of learning'

In the vibrant tapestry of education, examinations often stand as milestones, markers of progress, and opportunities for growth. As the Principal of Bal Bhawan Public School, I am privileged to witness first-hand the transformative power examinations hold for students, teachers, and parents alike.

The Pariksha Pe Charcha campaign, spearheaded by honourable Prime Minister of India Narendra Modi, has been instrumental in fostering this mindset shift, writes principal Vivith Gupta

In our journey towards academic excellence, it's imperative to embrace examinations not as daunting hurdles but as celebrations of learning. The Pariksha Pe Charcha campaign, spearheaded by honourable Prime Minister of India Narendra Modi, has been instrumental in fostering this mindset shift. By encouraging students to overcome exam fear and view assessments as avenues for self-discovery and improvement, the campaign has ignited a flame of inspiration nationwide.

In the kaleidoscope of examination preparation, students often seek guidance and support. Here are some invaluable tips to navigate the labyrinth of examinations with confidence and resilience:

- Master the art of time management:** Allocate specific time slots for each subject and prioritize tasks effectively. Balancing study sessions with breaks ensures optimal retention and productivity.
- Practice mindful revision:** Rather than resorting to rote memorization, engage in active learning techniques such as concept mapping, flashcards, and peer teaching. Understanding concepts fosters deeper comprehension and long-term retention.
- Cultivate a positive mindset:**

Harness the power of positive affirmations and visualization techniques to dispel anxiety and boost confidence. Believing in one's abilities is the cornerstone of success.

- Embrace failure as a stepping stone:** View setbacks as opportunities for growth rather than deterrents. Learn from mistakes, adapt strategies, and persevere with unwavering determination.
- Prioritize self-care:** Amidst the academic whirlwind, prioritize self-care practices such as adequate sleep, nutritious diet, and regular exercise. Nurturing holistic well-being enhances cognitive function and overall performance.

Together, let us redefine the narrative surrounding examinations, transforming them from mere assessments of knowledge to celebrations of learning, growth, and the indomitable human spirit.

Understanding more about School Health and Wellness program With Ministry of Education, Bhutan

...In coordination with UNESCO

On January 24th, 2024, the school had a privilege of hosting esteemed officials from the Ministry of Education, Bhutan to exchange ideas and interact upon the School Health and Wellness program initiated by UNESCO. We were delighted to welcome Mr. Tashi Namgyal, the Director of the Department of Educational Programs, Ministry of Education, Bhutan, and Mr. Sherab Phuntshok, the Chief Program Officer from the same department, along with Mr. Prashant, a representative from UNESCO.

The visit proved to be an incredibly enriching experience for all involved, as we engaged in insightful discussions regarding the implementation of School health and wellness program in Indian schools. Additionally, we had the opportunity to gain a deeper understanding of the educational culture in Bhutan.

During the visit, Mr. Namgyal eloquently highlighted the emphasis placed on environmental concerns within Bhutanese schools, emphasizing the importance of individual responsibility in preserving the environment. He also shed light on the unique concept of the happiness index, which is deeply ingrained in Bhutanese culture.

Our school representatives talked and discussed about the various activities and initiatives undertaken by the school to promote eco-friendly practices within the school environment. The efforts received a genuine appreciation from the representatives of the Ministry of Education in Bhutan, who expressed their admiration for our initiatives and extended a hand of collaboration for future endeavours.

Overall, the visit served as a platform for fruitful exchange and collaboration between our school and the Ministry of Education in Bhutan, further strengthening our commitment to promoting holistic well-being and environmental stewardship within our educational community.

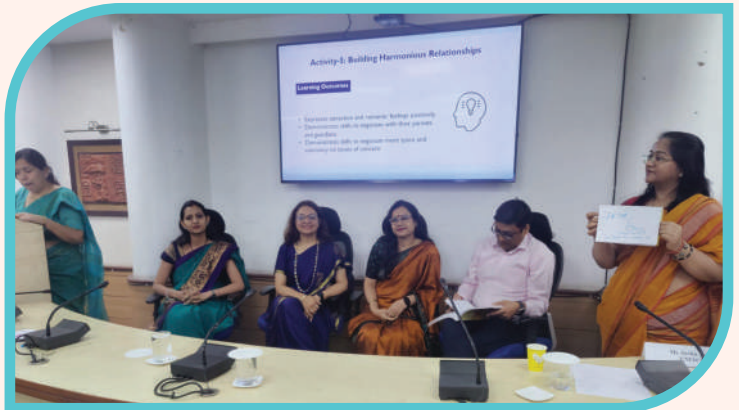

Preparing Students for Boards

Addressing & guiding students of classes X and XII

Board exams are often intimidating for students of grade X and XII. In overwhelming stress, students often look for support and guidance from their mentors. School Principal, Mr. Vividh Gupta ensures that boards are not threatening for his students, and thereby often engages in talk session with students to lighten their fears and anxieties, guiding them to consider boards as just another set of examinations. Guiding them on specifics of board examinations and preparing them in advance, so that the last moment hassles do not cause unnecessary panics for students.

REWARDING THE ACADEMIC EXCELLENCE AT... **FELICITATION CEREMONY - 2023**

CELEBRATING AND HONOURING ACHIEVEMENTS AND TALENT

Marking a day dedicated to the profound visionaries- Late Sh. G.C. Lagan and Late Smt. Kamlesh Devi ji, Felicitation Day is a ceremony conducted to honour the extra-ordinary academic excellence of young prodigies procuring exceptional result in CBSE board examinations in class X and XII. The ceremony is a customary tradition followed in school cultures since ages, where the extraordinary academic

pursuits of students and their mentors are duly recognised. The school toppers securing 95% and above aggregate in class XII and X CBSE board examinations were rewarded with Sh. G.C. Lagan Memorial Award and scholarship of Rs. 11000/- and Rs. 5100/- respectively.

The ceremony began with an auspicious start of lamp lighting along with a few cultural performances by the young prodigies of the school. The event was graced by the kind presence of esteemed guests; Dr. Alok Kumar Mishra, Joint Secretary at the Association of Indian Universities, New Delhi and Sh. Sanjay Kumar Sain, the additional Deputy Commissioner of Police (district Northeast) who commenced the prize distribution ceremony through their revered hands.

The students securing between 90-95% aggregate was honoured with Smt. Kamlesh Devi Memorial Award which stands as a mark of her unwavering commitments towards the growth of education. Along with school also rewarded mentors who showed exceptional dedication towards their subject. The honoured mentors were, Ms. Uphaar Grover (PGT Mathematics), Ms. Chhaya N. Singh (PGT Business Studies), Ms. Surbhi Malhotra (PGT Psychology), Ms. Radhika Luthra (PGT Pol. Science), Ms. Nidhi Kiran (TGT Mathematics), Ms. Sakshi Dixit (TGT Computer), Ms. Jatinder Kaur (TGT Computer), Dr. Sakshi (Department of Music) and Ms. Pooja Balodhi (PGT English). The school honoured students procuring a cent percentile in any subject in class X and XII board examination with a medal and a cheque prize of Rs. 1100/-.

Our Young Prodigies...

Ketan Kolay (XII) secured I Position at Painting Competition organised at Gandhi Smriti on the occasion of Gandhi Jayanti

Poster Making Competition organised by Prayatna Education Society. Tareef Singh Bisht, Vansh Rahi, Manya, Naman Gupta and Dharamveer of grade VIII participated and secured positions.

Ishika from class VIII-D also earned a certificate for science poster making in Jr. category organised by DOE-Science Branch

Bringing Laurels...

Aditya Gupta and Prashant Kumar of Grade IX, secured III place at State Level Science Exhibition organised by DOE- Science Branch.

Vindhya Gautam of class VIII-A and Yuvraj Singh of class VIII-C secured the second position for their Science Model on solving Single-use Plastic

Priyanshi Masiwal of Class VIII-E participated in the slogan writing Jr. category and received a certificate of participation

NATIONAL LEVEL ACHIEVERS

Sharanya Bisht- II Position At National Level Kala Utsav Art And Culture Competitions

A brilliant Kathak dancer, disciple of Padma shri Shobna Narayan, our student of class XII, brought us pride by securing II position at National Level in Kala Utsav Art competition organised by NCERT. Kala Utsav is an initiative by Ministry of Education under Rashtriya Madhyamik Shiksha, to promote art in education by nurturing and showcasing the artistic talent of the school students at secondary stage in our country. The initiative recognises the importance of aesthetics and artistic experiences for secondary level students, which play a major role in creating awareness of our nation's rich cultural heritage and its vibrant diversity. In the context of education of arts (Music, theatre, dance, visual arts and crafts), the initiative is guided by the recommendations of National Curriculum Framework 2005 (NCF-2005). Sharanya brought us pride by procuring the prestigious silver trophy at this grand event. As an achievement she also received a rare opportunity to perform at the event 'Pariksha Pe Charcha-2024' held at Bharat Mandapam.

Sharanya Bisht (XII) with her National Level Kala Utsav solo Classical Dance Trophy for procuring II Place at National Level, receiving it from School Principal Mr. Vividh Gupta

Kala Utsav State Level Winner, Sharanya Bisht Of Class XII, Receiving Her Trophy

PARIKSHA PE CHARCHA

...Connecting dots with exam warriors

The experience of being part of Pariksha Pe Charcha-2024 on January 29, 2024, at Bharat Mandapam, New Delhi, had been awe-inspiring for the 39 students and 3 teachers from the school. It was a rare and privileged opportunity for them to witness firsthand the spectacle and absorb the invaluable insights shared by the Honourable Prime Minister of India, Shri Narendra Modi ji.

The school was not only attended the event but rather contributed actively to the occasion. We proudly presented a captivating display exhibit titled 'Khelte Khiladi, Khilta Bharat,' which aimed to showcase the spirit of sportsmanship and the vibrancy of our nation. One of our bright students, Samarth from Class VI, took the honour of interacting with and presenting this exhibit to the honourable Prime Minister himself.

Adding to the pride of our school, Sharanya Bisht, a talented student from Class XII, who had secured the second position at the National Level Kala Utsav Competitions organized by NCERT, was given the prestigious opportunity to showcase her talent through a performance at the event. Her remarkable achievement and the opportunity to present her skills on such a platform further added to the significance of our school's presence at the event. She was also amongst the front seat holders at the event.

The event left an indelible mark on all who were part of the event and truly memorable experience that will be cherished for a lifetime. The opportunity to witness the grand spectacle live, interact with national leader, receiving his blessing, showcasing the school's talents, and be part of such a significant gathering has undoubtedly created memories that will remain etched in our hearts and minds forever.

CHANDRAYAN 3 LAUNCH TRIP

Promoting Internationalism with...

INTERNATIONAL COLLABORATIONS

-A step towards shaping Global Citizens

As school aims at fostering Global Citizenship in youngsters in order to sensitize them about cross cultural relations and effective communication skills, the school has been engaging in various activities to enable them connect globally. In an increasingly interconnected world, the importance of fostering international collaborations offer invaluable opportunities for students to engage with diverse perspectives, cultures, and ideas, ultimately preparing them to thrive in a globalized society. By breaking down barriers and building bridges across borders, school hopes to create enriching educational experiences for students that transcend geographical boundaries.

ONLINE INTERACTIONS

As School signed Memorandum of Understanding with schools in Taiwan, along with the cordial relations it flourishes with schools in South Korea, Japan and Siberia, school has organised various online interaction sessions with our partner schools in Taiwan and Korea. Our students of grade V-VIII received an opportunity to interact with students of Zhuqi Elementary School and Taichung Pei-hsin Junior High School, Taiwan, which aimed at discussion culture, festivals and celebrations. Our students celebrated Diwali festival in an online session with our foreign friend from Taichung Jr. High School, Taiwan, sharing the significance of Diwali and stories behind its celebration. Students were made to participate in Q&A session with students of Zhuqi Elementary school upon a significant topic of Plastic Waste Management in the month of May.

CELEBRATING YOGA WITH OUR FIVE FOREIGN FRIENDS

This year International Yoga Day, had been truly glorifying for us, as we celebrated the day by performing Yoga with our Foreign Friends from Five different schools from Siberia, Taiwan, Japan, South Korea. We had students from MY ENGLISH SCHOOL, Tomsk-Siberia, Zhuqi Elementary School and Taichung Jr. High School from Taiwan, Bongdam High School, South Korea and Sugunami Jr. High School from Tokyo- Japan. As India stands as the world guru in promoting YOGA for healthy lifestyle; our students became the mentors in teaching effective Yoga techniques. It had been an exciting venture for all five schools to find a suitable time slot, we being the initiator, to come together and engage in this delightful Yoga session. The activity received great appreciation from all of our foreign friends.

CULTURAL BOX EXCHANGE

This year we had two successful cultural box exchanges with our sister partner schools in South Korea and Taiwan, wherein we exchanged souvenirs of our respective countries and engaged in developing physical interactions with each other.

CULTURAL BOX EXCHANGE WITH TAICHUNG PEI-HSIN JR. HIGH SCHOOL

In an exciting cultural box exchange with our partner school, Taichung Jr. High School, we shared the souvenirs or cultural festivals. Few students of classes VI-VIII were part of the activity. As a part of the activity, we received the hangings and decorations of the renowned Dragon Boat Festival in Taiwan and we sent decorated Diwali diyas along with key chains and letters to our foreign friends on the occasion of Diwali in the month of November.

CULTURAL BOX EXCHANGE WITH BONGDAM HIGH SCHOOL, SOUTH KOREA

In a yet another cultural box exchange, we exchanged souvenir with students of Bongdam High School, South Korea. A bunch of 40 students from classes XI and XII were part of the activity. Students exchanged letters, cultural souvenirs, food items etc in the cultural box. The exciting venture received commendable appreciations from students who were part of it and many others who could not be the part the activity this year showed interest in contributing in the same in the coming years.

Encouraging international collaborations is essential for preparing students to thrive in an interconnected world. By embracing diversity, fostering cultural understanding, and promoting global awareness, school aims at creating an enriching educational experience for its students that transcend geographical boundaries. Through a strategic partnerships, innovative initiatives, and collaborative projects, schools is trying to build bridges for global education, equipping our students with the knowledge, skills, and perspectives needed to navigate in an increasingly complex and interconnected world.

VISIT TO GOETHE INSTITUTE, EXPLORING GERMAN CULTURE AND LANGUAGE ETHICS

AT...SKILL EXPO-2023

The National Summit on Facilitating School to Work Transition

We take pride on being part of National Summit on Facilitating School to Work Transition Exhibition organised by CBSE at ICAR Auditorium, New Delhi. It had been an empowering opportunity where our students marked their presence in presenting exhibits focusing upon skill-based learning.

Understanding the changing dynamics of the global job market and the need for a more versatile

a n d

skilled workforce, the National Education Policy (NEP) 2020 accentuates the importance of embedding skill-based learning within the school curriculum. By emphasizing on Vocational/ Skill Education, the policy aims to bridge the historical divide between academic and skill-based streams, ensuring that students are better prepared for real-world challenges, gainful employment, and

lifelong learning.

In context to the same the Central Board of Secondary Education organised the two-days' National Summit on the topic on the 19th and 20th of September 2023. Along with panel discussions featuring eminent speakers, the event also hosted a first-ever

Skill Expo where schools from across the country got the opportunity to showcase their skills under various themes and sub-themes.

The event highlighted the essential role schools play in preparing students with the necessary skills and knowledge to thrive in a constantly changing professional landscape. Along with featuring talks by eminent speakers, policymakers, educationists, industry leaders, and other key stakeholders, the summit provided an opportunity to students to showcase their work being done in their schools for promoting Skill

Education through the elusive Skill Expo. Eminent Speakers at the summit provided insights into upcoming career prospects, essential skill sets, and effective career

decision-making as part of the National Guidance Festival, which was integrated with this National Summit.

Academics, CBSE), Secretary of Education, Ministry of Education Sh. Sanjay Kumar, Chairman Smt. Nidhi Chibber gracing the occasion amongst many other eminent personalities.

We would like to extend our thanks to Director of Skill, Sh. Biswajit Saha, Secretary Sh. RP Singh & CBSE for this incredible opportunity which had enhanced the learning curve of skill education for all the students and mentor teachers across various schools.

*With vibrant energies and glorified badges...
The brigade of Student Council marched glowingly at...*

THE INVESTITURE CEREMONY

The Investiture Ceremony-2023 had been truly magnificent, with a brigade of 34 members of student council marching glowingly in their investiture ceremony. The investiture ceremony held on April, 17th, 2023 at school's Open-air theatre was a momentous occasion that marked the formal bestowal of responsibilities upon the newly appointed student leaders of Bal Bhavan Public School, for session 2023-24. The ceremony was splendid attended by esteemed members of school managements, faculty members, proud and students.

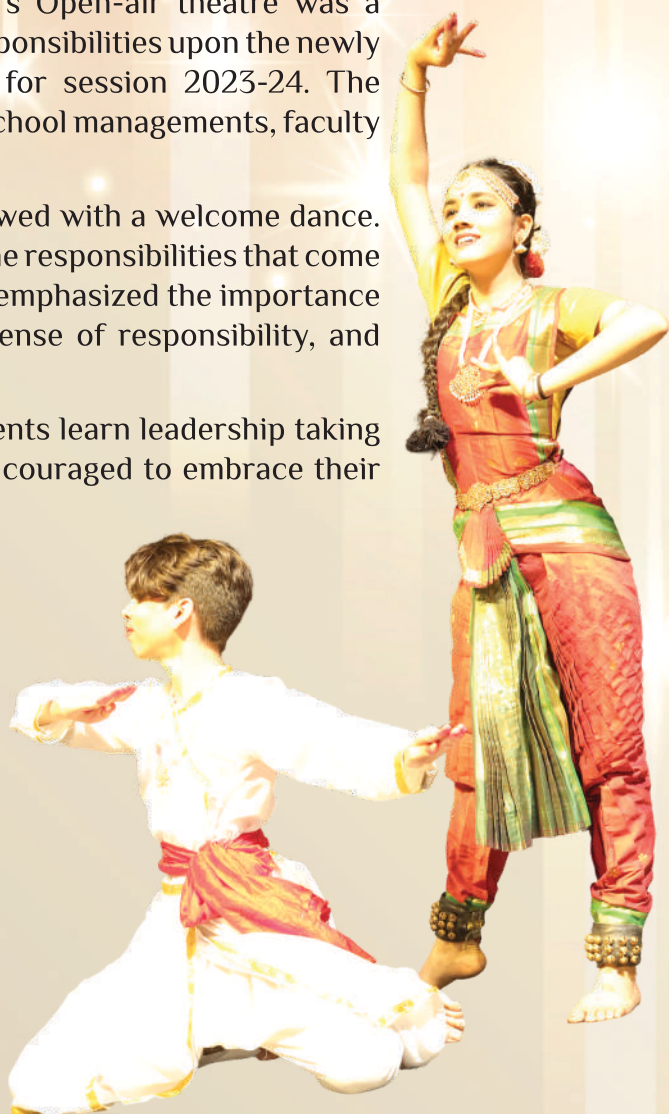

The event commenced with a lamp lighting ceremony, followed with a welcome dance. The ceremony highlights the significance of leadership and the responsibilities that come with it. The school principal in his address to the gathering, emphasized the importance of instilling leadership qualities in students, nurturing a sense of responsibility, and fostering a spirit of service to the school and the community.

The investiture ceremony is a significant event where students learn leadership taking responsibility, planning and execution. The students are encouraged to embrace their roles with dedication and integrity. The students were conferred upon with their badges of honour and sashes upon the newly appointed leaders. The badges symbolized the trust and confidence reposed in them to uphold the values of the institution and serve as role models for their peers.

The newly appointed leaders, having received their badges, proceeded to take the oath of office. The solemn oath reflected their commitment to upholding the principles of justice, equality, and integrity. The entire gathering stood witness to this momentous occasion, symbolizing the formal induction of the student leaders into their respective roles.

The investiture ceremony also showcased the diverse talents of the students through cultural performances, including dance, music, and drama. These performances added a vibrant and celebratory atmosphere to the event, demonstrating the artistic prowess of the student body.

The Council Heads- Khusboo and Dhruv Rawat of class XII addressed the gathering and expressed their gratitude to the school management, teachers for trusting them for their respective posts. They emphasized their commitment to work collaboratively in fulfilling their respective duties.

The investiture ceremony was a remarkable event that not only recognized the achievements of the student leaders but also set the stage for a year of positive change and growth within the school community. As the newly appointed leaders assumed their roles, there was a collective sense of optimism and anticipation for the positive impact they would make in the year ahead.

7TH SH. G.C. LAGAN ATHLETIC MEET-2023

The illustrious 7th Sh. G.C. Lagan Memorial Annual Athletic Meet-2023 had been a grand spectacle. The two-day extravaganza of spirited competition, held on 1st and 2nd of December, 2023 saw a staggering participation from 48 schools unleashing the vigour of approximately 1000 participants, transforming the event into a resounding success.

The inaugural day unfolded an unparalleled grandeur, witnessed by the presence of esteemed luminaries, Chief Guest- Mr. Raziuddin Khan, Sports Officer in the Ministry of Home Affairs CISF Delhi, Mr. Sanjib Das, CBSE Regional Director & Mr. Ranjeet Bhati, an illustrious personality in International Para Athletics, graced the occasion, adding a touch of prestige to the event.

Setting up a tone for excellence, the first day's proceedings commenced with a welcome song, a magnificent march past, followed by an oath-taking ceremony, and opening of the meet with a customary balloon release. The esteemed chief guest for the day, addressed the gathering and motivated and encouraged young athletes for continuity and firmness in their dedication towards their sport.

The day unfolded with fervent Under 14 and Under 17 heat races, paving the way for the climactic final races, including the fiercely contested relay races for both girls' and boys' categories on day two. The event culminated in a glorious closing ceremony on day 2, where the accomplished National player of High Jump and Decathlon, Mr. Tejaswin Shankar and Madam Amrutha Guguloth, the third woman IPS officer in New Delhi District, assumed the mantle of chief guest and rewarded the winners.

Mr. Shankar, in an inspiring address, imparted words of wisdom and encouraged students, emphasizing the virtues of perseverance and sportsmanship. Rosary Senior Secondary school was crowned as the best school in this remarkable athletic meet securing maximum positions across various races.

Principal, Mr. Vividh Gupta extended heartfelt congratulations to the triumphant athletes, emphasizing the invaluable lesson of sportsmanship imbibed through such competitions. As the echoes of cheers and victories resonated, the school reaffirmed its commitment to nurturing not just academic brilliance but the holistic development of its students through the celebration of sports and spirited camaraderie.

The 5th Inter-School Cultural Fest

Galaxia-2023

Unleashing vibrance in talent and creativity...

The much anticipated, the 5th Inter-School Cultural Fest, "Galaxia-2023," unfolded on the enchanting day of Tuesday, October 31, 2023, casting its spell on all those in attendance. For past few years, the grand gala event has been a catalyst for fostering talent, a vent for creativity, calling participants from 48 distinguished schools in Delhi NCR region, unleashing a kaleidoscope of skills and passions of about 950 spirited participants.

Adding a touch of stardust to the occasion was the presence of esteemed chief guest, the Indian Bollywood actor, Mr. Rishi Bhutani, who is celebrated for his iconic roles in various Bollywood films. The event unfolded a tapestry of 14 exhilarating competitions ranging from the eloquence of Elocution to drama in form of Street Plays, role play and one-act play, the folk dances from various states, from the rhythmic cadence of Poem Recitation and Patriotic Group Song competition, the captivating allure of Storytelling had the impactful resonance. The canvas of creativity extended to the visual realm with the inclusion of events like Canvas Painting, showcasing the multifaceted talents of the participants.

Each competition was meticulously curated and judged by a panel of subject specialists, professors, and acclaimed artists, amplifying the spectacle and providing a comprehensive celebration of diverse talents. "Galaxia" not only embodied the spirit of spirited competition but also served as a luminous showcase of the extraordinary skills and untapped potential residing within the vibrant youth.

In the heartening moment of recognition, the school's Principal congratulated all the participants and winners, praised their unwavering dedication and hard work that transformed the competition into a resounding success. The accolades echoed through the corridors of the school, creating an atmosphere of jubilation and accomplishment.

Mr. Rishi Bhutani in his address to the gathering commended the efforts of school for its steadfast commitment to the holistic development of its students. He expressed profound admiration for the school's visionary initiative in organizing the event of the calibre -"Galaxia," highlighting the pivotal role the given platform plays in shaping the leaders of tomorrow.

The school has been a perennial beacon of excellence, which continues to inspire and nurture young minds, encouraging them to aim for unexplored horizons of success. The triumph of "Galaxia" stands as a poignant affirmation of the school's unwavering commitment to providing a nurturing environment where students can flourish academically, creatively, and socially, ensuring they are well-equipped to illuminate the path ahead.

Celebrating Technology... With

INTELLOVATION 2.0

On...National Technology Day

The school commemorated National Technology Day by hosting the ATL Inter-school tinker fest - INTELLOVATION 2.0 in the month of May. The event served as a platform to ignite scientific knowledge and innovative thinking among students, revolving around the theme 'Innovation for the Future,' with a special emphasis on India's G20 Presidency theme of 'Vasudeva Kutumbakam' - One Earth, One Family, One Future.

Distinguished guests and prominent figures such as Shri Vinod Bachheti (District President Mayur Vihar, Bharatiya Janata Party) and Shri Ramesh Kandpal (Convenor at Akhil Bhartiya Anuvrat Nyas) graced the event with their kind presence. Expert judges from the fields of science and technology added further gravitas to the occasion.

Students from various schools across Delhi/NCR participated in the Inter-school fest, with enthusiasm, presenting their innovative ideas and design skills through competitions such as Artificer, App Designing, Matheletics, and Upslant. An interactive session led by Er. Wasif Daniyal, Stem Innovation Engineer at StemRobo

Technologies Pvt. Ltd., delved into the intricacies of emerging technologies and their practical applications.

The competitions not only tested participants' skills but also provided a fertile ground for learning. The workshop complemented it by offering insights into cutting-edge technologies. The closing ceremony was a blend of artistic expression, with musical and dance performances leaving the audience spellbound.

The winners were applauded with trophies and certificates, with Hansraj Model School, Punjabi Bagh, clinching the coveted rolling trophy of 'Best School' in the ATL Tinkering Fest - Intelovation 2.0 by procuring higher positions in maximum events.

The School's Principal, Mr. Vividh Gupta, applauded the enthusiastic participation of various schools and their innovative ideas. He stressed the importance of fostering future innovations to address global challenges related to sustainability, energy, and communication.

The celebration of National Technology Day at the school epitomized a concerted effort of nurturing creativity, innovation, and curiosity in the realm of technology, setting the stage for a brighter and more innovative future.

BBPSMV Aspiratio 3.0 The Discipulo MUN

Shaping future ambassadors... at MODEL UNITED NATIONS

The school hosted its third Inter-school Model United Nations conference organised by school's MUN club- Aspiratio- The Discipulo MUN in collaboration with an organisation VENUSTAS led by some of the school's alumnus, in the month of July. The 2 days venture was an exhilarating experience themed 'BE AS ONE- The MUN' which justified the India's G-20 Presidency, catering to the idea of 'Vasudeva Kutumbakam'- World is a family and bloomed the idea of togetherness. Hosting about 234 delegates

and 33 Schools for discussions under Six different Global Committees viz- World Health Organisation, United Nations Human Rights Council, United Nations General Assembly and All India Political Party meet United Nations Security Council and International Press, the event turned out to be a success.

The event constituted four UN committees, 1 Indian Committee and the international press. The UN committees included UNHRC- United Nations Human Rights Council, UNSC- United Nations Security council (a technical committee), UNGA- United Nations General Assembly and WHO- World health organization which was a beginners committee and the Indian committee AIPPM- All India Political Parties Meet. Bhavan Public School and the best Journalist under Independent Press was rewarded to Kashvi Gautam from Bharat National Public School, along with various other awards were rewarded under the category of High Commendation, Special Mention and Honourable Mention under each council. The event concluded with thrilling Social event, where all danced to the tunes of contemporary rhythms and celebrated the culmination of the two day gala event.

Narrating the tale of excellence ODYSSEY

The Annual Art and Science Exhibition-2023

It was magnificence redefined, the Annual Art and Science Exhibition-2023 titled as Odyssey, narrated a tale of school's success and excellence of 56 years. The students from classes K-12 were engaged in presenting activities, exhibits in form of art work and science models, stalls etc. It was no less than a carnival in the school arena. With more than 225 models on display and tremendous art work, students well presented the vast ventures undertaken by school in its day-to-day scenario.

The three days well planned and executed venture, invited parents to be part of the activities, participate along with students, get engaged in story sessions, appreciate entrepreneurial talent of students and explore through the creative ideas presented by the young brilliant minds of students.

The opening ceremony saw the presence of Chief guest- SH. N. Ramdas Iyer (Director, National Science Centre) along with Guest of Honour- SH. Suryakant Prasad (Deputy Director, Zone II, DOE), who inaugurated the event through their revered hands with customary lamp lighting ceremony. The efforts and ideas of the students received their appreciation. One of the chief highlights of the event was the launch of 'Neer Yaan' which used Water pressure as a concept to launch an artificial rocket. The launch was conducted several times during the course of three days.

Since its inception, Annual Science Exhibitions had been a delight in the culture of Bal Bhavan Public School, where every year students are curious to work upon innovative and unexplored ideas and compete for Young Innovative Scientist award, given to the most

innovative idea in the exhibition. This year the event turned even more colossal, with the vibrance of Art exhibits and added ventures which received tremendous appreciation from the visitors.

The closing ceremony of the event was organised on 6th August, 2023, duly commenced in the presence of Chief Guests-Prof. Amarendra P. Behra (Joint Director, CIET NCERT) and Sh. Puneet Kr. Patel (Additional District Magistrate, East), who honoured the winners of the exhibition with their trophies, medals and certificates. The young innovative scientist Award was bagged by Aayush Sarkar, who worked upon a model of prosthetic hand, with special aspects and features. The team was honoured with Rs. 2100 cheque prize along with a medal. The team was duly recognised

for their efforts in exploring the needs of the century and finding its solution.

The esteemed dignitaries appreciated the efforts of school management for providing a suitable platform for students to explore their capacities and commended the ideas of students for presenting exclusive models and considered the exhibition one of its kind. They congratulated the efforts of school, students and their mentors for this successful venture.

The craze goes rampant...
As we celebrate
KHEL-O-MANIA

THE ANNUAL

The Annual Sports Day-2023, KHEL-O-MANIA 2023, unfolded an atmosphere charged with excitement and anticipation, spanning across two thrilling days. With the celebrations of Christmas around, the event presented the charm of Christmas decorations in the environment and welcoming of the new year. The day 1 of the event commenced with a traditional lamp lighting ceremony, symbolizing the illumination of knowledge and the spirit of sportsmanship. The entire school community, including students, faculty, and parents, came together to partake in the festivities, creating an environment of unity and celebration. Along with the flag hoisting, students undertook an oath of team spirit and sportsmanship in their play and conduct. The celebrations began with a balloon release, evoking the spirit of sports and enthusiasm.

The day 1 of the event was primarily dedicated to school's primary wing which was filled with an aura of joy and delight and in the benign presence of Dr. Ishwar BasvaRaddi and Mr. Yogesh Pal Singh, esteemed figures in their respective fields who

graced the primary wing festivities as Chief Guests for day one, the celebrations saw vibrance and energy.

The vivacious students of primary wing took the centre stage to display their sportsmanship and talents across a diverse range of events. From track and field to team sports, the young athletes captivated the audience with their skills and determination. Little bunch of primary Kinder Garten classes, delighted the spectators with their joyous performances and spectacular races based on folk tale characters and animal world. The presence of Dr. Ishwar Basva Raddi and Mr. Yogesh Pal Singh added an extra layer of motivation and inspiration for the budding sports enthusiasts, encouraging them to strive for excellence. The day 1 of the Annual sports meet concluded with an exciting Football match played between students from classes IV and V. It turned out to be awe-inspiring sight witnessing little enthusiastic kids of primary wing playing game in the spirit of sportsmanship and team spirit.

Continuing the momentum, Day Two welcomed Chief Guest Mr. Manoj Tiwari Ji, a Member of Parliament, and the illustrious Mr. Surendra Sandhu Ji (Music Director and Composer) as special guest. The day was dedicated to the spirited students from grade 6th to 12th, who showcased unparalleled sportsmanship and charisma throughout the day. The atmosphere remained charged with enthusiasm as athletes from different age groups competed in a plethora of events, including different races including 100mt, 200mt, 400m, 4X100mt relay race and various other fun races, which demonstrated not only their individual prowess but also their strong sense of teamwork and camaraderie. The true highlight of Day Two was undoubtedly the exceptional sports performances displayed by the students, which served as a testament to their dedication, hard work, and relentless pursuit of excellence.

KHEL-O-MANIA 2023 culminated with delight and excitement as the school community expressed their heartfelt gratitude to the Chief Guests for gracing the occasion and inspiring the students with their presence.

Along with the winners of various races being rewarded with their medals, school also rewarded the winners of Inter-house sports competitions and at the end Pragati House was declared the best house for the second time. Beyond celebrating physical prowess, the event also aimed to instil core values such as teamwork, discipline, and resilience among the participants, thereby contributing to their holistic development. KHEL-O-MANIA 2023 left an indelible mark on the memories of all who attended, embodying Bal Bhavan Public School's unwavering commitment to nurturing well-rounded individuals.

CBSE REGIONAL CHESS TOURNAMENT

...ENCAPSULATING TACTICS, TALENT AND INTELLECT

The school had been a host to a momentous event, with about 250 schools and 2500 Chess enthusiasts from Delhi and NCR participating in CBSE Regional Chess Tournament held on October 19 to October 21, 2023. The inauguration ceremony was graced with the presence of the esteemed Chief Guest- Sh. Amarendra Pani, Director of the Research Division at the Association of Indian Universities along with the visionary team of school's management, who marked the commencement of a thrilling tournament.

The opening ceremony unfolded with a symphony of warmth, resonating with a heartening welcome song that set the tone for the eventful days ahead. Principal Mr. Vividh Gupta extended a gracious welcome to the participants, emphasizing the values of sportsmanship and fair play. The atmosphere brimmed with excitement as students, eagerly anticipating the chess battles, showcased their talents through a captivating dance performance evoking divine powers in form of Devi Stuti.

The flag hoisting marked the symphony of amity, unity and sportsmanship amongst all. The tournament witnessed zeal and determination in all participants who pledged their commitment to fair play and unwavering dedication to the sports setting up a stage for a tournament filled with integrity and passion. The event was officially declared open with a symbolic chess move undertaken by the esteemed Chief Guest.

CHESS, a game of strategic thinking, focus, tactics and enthusiasm, the tournament added an elated enthusiasm amongst the students for the game. During the 2-day tenure it was ensured that a seamless coordination carries on throughout the event, fostering an atmosphere of camaraderie and

healthy competition. The tournament not only provided a platform for students to showcase their chess prowess but also encouraged the spirit of collaboration and mutual respect amongst the participants from diverse backgrounds and cultures.

As the games unfolded, the air buzzed with anticipation and concentration, echoing the sentiments of every participant present. The school's adept hosting had set the stage for an exhilarating tournament, where intellect and strategy intertwined, and friendships were forged amidst the clashing of chess pieces. The closing ceremony incorporated an elaborate Prize Distribution Ceremony conducted in the kind presence of Additional District Magistrate, Sh. Puneet Kr. Patel, who honoured the students with their trophies and certificates. The event stood as a testament to the school's unwavering commitment to nurturing holistic development and fostering a profound love for intellectual pursuits among its students.

Jashn-E-Bachpan

-A special Assembly By students of grade Nursery and KG

The delightful showcase presented by the Nursery and KG students was a joyous spectacle to behold, as the young ones radiated an infectious aura of happiness and celebration through their vibrant performances in the special program titled, 'Jashn-E-Bachpan' celebrating the vibrant spirit of childhood. Their boundless enthusiasm, diligence, dedication, and hard work were truly inspiring.

From captivating oratory to lively Qawali, from engaging dramatic acts to graceful dance, every facet of the event was captivating for all in attendance. It provided a glimpse of students' year-long journey of learning, conveying insightful messages while exploring the animal world.

The Qawali performance offered a unique perspective from the viewpoint of children, illustrating the little ones' initial confusion upon entering the world of education and conveying their plea to parents and teachers. In their dramatic act, they eloquently voiced concerns from the animal kingdom, highlighting the disruptive impact of human activities on their habitats and lives.

In their alluring presentations, the little ones conveyed messages promoting a healthy lifestyle and fitness through their charismatic Yoga and Aerobics performances. The gleam of pride in parents' eyes as they watched their children perform was truly heartwarming.

During his address, the school Principal commended the mentors for their invaluable guidance in fostering the holistic development of the children. He also emphasized the crucial role parents and teachers play in nurturing a child's growth, advocating for aligned thoughts, ideas, and guidance between these two pivotal pillars for the child's overall learning journey.

Preserving the relics of our past...

WORLD HERITAGE DAY

-Special Assembly by class IV

As the World Heritage Day, commemorated every year on April 18, emphasize the significance of World's cultural heritage, the students of class IV celebrated the day by organizing a special program centred around the theme 'Our Culture, Our Heritage.'

The program commenced with young singers enchanting the audience with their melodious songs in various languages representative of India's diverse cultural landscape. Poems were recited with expressive body language, vividly portraying the vibrant diversity and cultural richness of India. Through an informational street play, students depicted the splendour of India's numerous heritage sites, advocating insights and spreading awareness for their conservation and preservation.

The program was witnessed by the members of school management and the proud parents of students of primary wing, who were awe-inspired by the performance of the little kids spreading awareness and sensitising the society through their little acts.

The event also featured dance performances showcasing glimpses of different states, emphasizing the traditional significance of folk dances in different Indian states and cultures. In addition, the significance of Yoga was explained, highlighting its role

in maintaining mental and physical well-being. Yoga, as a profound symbol of India's cultural and spiritual history, was underscored as a means for individuals to control their senses and stay healthy.

The students' performances were highly commendable, captivating the audience throughout. The program's objective was to instil in all participants an appreciation for the value of Indian culture and heritage, urging them to preserve it for future generations and fostering a sense of pride in being Indian.

Understanding the little we could do to preserve our planet...

EARTH DAY

-Special assembly by Class IX

“Mother Earth is the culmination of multiple and diverse energies, which is brought together to create a rich aesthetic experience with a message of harmony and co-existence”.

April 22, celebrated as Earth Day was initiated to inspire all to rejoice and cherish the beautiful planet and to awaken the people on how they can be an asset in saving the Earth from pollution, global warming, water scarcity and other several concerns. This year the theme of Earth Day is 'Invest in Our Planet'.

To reaffirm our commitment to Mother Earth, IX Block organized a special assembly graced by Esteemed Chief Guest Dr. B.C. Sabat (Senior Scientific Officer from the Department of Environment) along with Director Sir Shri BB Gupta and Principal Sir Mr. Vividh Gupta. The school choir presented a melodious song, followed by a thought-provoking Nukkad Natak and a heartfelt dance paying tribute to our planet. To propagate tree plantation, a sapling was planted by the esteemed dignitaries as a mark of conservation of planet. Students pledged to preserve the planet and be the guardians of planet. The school Principal commended the students' efforts and encouraged gratitude towards Earth for its abundant gifts of flora, fauna, and breathtaking landscapes.

This Grand celebration at Bal Bhavan Public School effectively conveyed the importance of environmental conservation and inspired students to become eco-conscious individuals. Through presentations, speeches, skits, and visual displays, students were provided with information, insights, and practical strategies to make a positive impact on the planet. The assembly served as a powerful reminder that everyone has a role to play in protecting our environment and preserving it for future generations.

Preserving Indian River... the source of future survival

Nadiyo Ki Kahani... Bachcho Ki Zubani

-Special Assembly by Grade I & II

“A river cuts through a rock not because of its power but because of its persistence.”

-James N Watkins

In an effort to instil a sense of environmental consciousness and responsibility in the young minds of our future leaders, the students of Class I and II presented a special program titled Nadiyon ki kahani...bachon ki Zubani. The event aimed to shed light on the importance of preserving Indian rivers and waterways for human survival and the prosperity of future generations.

The event was graced by the presence of proud parents of little tiny tots who appreciated the efforts of their children in spreading awareness on practical ways one can adopt to contribute in protection of rivers and waterways. The students, with their infectious enthusiasm and creativity, mesmerized the audience. The program unfolded a captivating mix of educational insights and artistic expressions, leaving an indelible impact on everyone present.

The program began with an informative presentation by the students on the emergence of Indian rivers, vital role they play in sustaining life. Concepts such as water conservation, pollution prevention, and the interconnectedness of ecosystems were well expressed and explained by the little buds.

The significant aspect of program lay in the students' awe-inspiring acts, which ranged from skits, Nukkad Natak and dances to poetry

recitations. The touching skit depicted the journey of Indian rivers and stages of pollution, emphasizing the need for responsible water conservation.

The young participants actively engaged the audience through their interactive performances, which served to be a mini-exhibit on the the impact of pollution on water bodies, and need of human interventions as a precautionary measure.

The success of the event was amplified well in the involvement of parent which not only enriched the learning experience for the students but also reinforced the importance of collaborative efforts in addressing environmental challenges.

The program presented was a testament of the potential of the little kids in bringing reformation in society and contribute meaningfully to the well-being of our planet. The event left an indelible mark on the hearts and minds of all who

attended, inspiring a collective commitment to safeguarding Indian rivers and waterways for the betterment of humanity's present and future.

As we applaud the efforts of the students and express gratitude to the parents for their unwavering support, let us carry forward the lessons learned from the initiative by little kids into our daily lives, become a true guardian of the precious water resources.

A tribute to the Indian Polymath

Rabindranath Tagore

-A special assembly by grade VIII

The Students of Grade VIII presented a mesmerizing assembly celebrating the birth anniversary of the eminent poet and philosopher, Rabindranath Tagore. The performances served as a compelling testament to the enduring influence of Tagore's works. Through their impeccable delivery of inspiring speeches, soul-stirring songs, captivating dances, and thought-provoking role enactments, they brought to life the essence of Tagore's literary genius and the profound wisdom embedded within his creations.

The program was graced by the presence of the school Director, Principal and the headmistress, who encouraged the audience to embrace Tagore's teachings and embody his ideals in their daily lives. Their words resonated deeply, inspiring everyone present to strive towards personal growth, cultivate their talents, and make a positive impact on the world around them.

The event provided a magical experience, immersing the audience in the beauty and richness of Indian culture. Each performance served as a reminder of Tagore's significant contributions to literature, music, and philosophy. The assembly showcased the students' exceptional talent, dedication and understanding of Tagore's legacy and its relevance in the present day.

The assembly presented by students of grade VIII to commemorate Rabindranath Tagore's birth anniversary was an extraordinary display of artistic expression and cultural appreciation. The students' performances, coupled with the insightful speeches from the school's leaders, left a lasting impact on all attendees. It was a celebration of Tagore's enduring influence, inspiring everyone to cherish the beauty of his works and strive towards personal and societal transformation.

The Resonance of Freedom struggle **INDEPENDENCE DAY**

- a Special Assembly by Class X
An ode to bravery of Indian Freedom Fighters and Soldiers

The vibrant spirit of patriotism filled the air as students of Class X orchestrated a magnificent special assembly commemorating Independence Day. The momentous occasion was graced by the esteemed presence of Chief Guest, Colonel VN Thapar, a retired army officer, and the renowned Industrialist, Mr. Hemant Choradia from Choradia Industries Limited.

The assembly was a tapestry of diverse performances, each weaving together the essence of freedom and national pride. The orchestra performance echoed melodies that

resonated with the fervour of liberation. The enthralling beats and harmonious tunes stirred emotions and resonated the sacrifices made for our country's freedom.

The Nukkad Natak, a street play, was a compelling portrayal of our nation's lead at G20 presenting the growth of our nation since Independence. The awe-inspiring dance and music performances further heightened the patriotic fervour. The mesmerizing performances reverberated with the vibrancy of our culture and the unity that defines our diverse nation. The synchronized movements

and soulful renditions captured the essence of celebrating freedom and unity in diversity. The assembly culminated with a renewed sense of pride and responsibility towards our nation. It served as a poignant reminder of the sacrifices made by our heroes and the need to uphold the principles they fought for. The students presented a stirring tribute that would resonate in the memories of all who witnessed, inspiring all to uphold the spirit of independence in every aspect of life.

NATIONAL

Sports day

Celebrating the Spirit of Sports and honouring the Legendary Major Dhyan Chand...

-Special Assembly by Class XI

In a vibrant tribute to the legendary, Major Dhyan Chand on his birth anniversary, the XI Block orchestrated a spectacular special assembly on National Sports Day, celebrating the spirit of athleticism and instilling a profound appreciation for sportsmanship.

The event, held on 29 August, 2023, was a testament to the commitment of the school in

fostering a culture of sports and physical well-being among its students. The assembly showcased a diverse range of activities that not only entertained but also inspired every attendee.

inspiring speeches that echoed the virtues of sportsmanship, emphasizing the importance of fair play, discipline, and perseverance in the journey of an athlete. Students eloquently shared their thoughts, encouraging their peers to embrace the challenges of sports and learn valuable life lessons from them.

The highlight of the celebration was a captivating skit that portrayed the inspiring life stories of various sports personalities, showcasing their struggles, triumphs, and the indomitable spirit that led them to success.

The performance aimed

to motivate students to pursue their athletic dreams with passion and resilience.

Adding to the grandeur of the event, students showcased their talent and teamwork through exhilarating displays. The group dance performance on the theme of sportsmanship was a visual treat, capturing the

essence of unity, camaraderie, and the joy of sports.

The event was not only a platform for students to display their skills but also reinforced the importance of physical fitness and a healthy lifestyle. "Celebrating the spirit of athleticism is not just about competition but

also about embracing the values of sportsmanship, teamwork, and dedication. Today, we pay homage to Major Dhyan Chand, a legendary figure in Indian sports, and strive to impart the essence of his greatness to the young minds of our school," said the esteemed Principal.

As the school continues to nurture holistic development,

events like these play a pivotal role in shaping well-rounded individuals. The school remains committed to fostering a love for sports, instilling values of sportsmanship, and inspiring the leaders of tomorrow.

A reverence to the divine gurus...

Teacher's Day

- Special assembly by class XII

"Teaching... a profession that prepares one for all other professions."

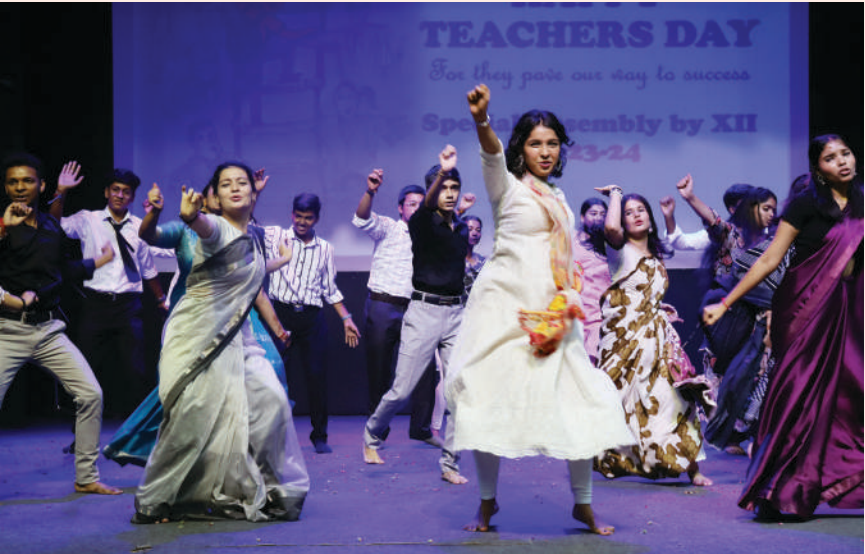

Bal Bhavan Public School, Mayur Vihar, celebrated Teachers' Day on 5 September 2023, with great vigour and zest.

Class XII students presented a fabulous assembly highlighting the role of teachers in shaping the students' future. A wonderful rendition of songs expressing gratefulness for their mentors was presented by the melodious students of class XII and a video presentation of the teachers working for the students' betterment left all the teachers with moist eyes and proud hearts. A short play depicting the dedication of the teachers since time immemorial in shaping the future of the students despite all odds was also presented by the students of Class XII. The finale dance was a celebration of the teaching profession, a tribute and a salute to the teachers. Planters decorated by the students of Class XII were presented to respected dignitaries on this special occasion, as a token of appreciation and gratitude for taking the school to greater heights.

The Principal Mr Vividh Gupta appreciated the students for presenting an enthralling tribute to the teachers and also highlighted upon how significant teachers are, not just for an institution, but for the society and the nation as a whole. Recollecting snippets from his life, he made all understand the valuable role a teacher play, guided teachers to be ideals in their student's life.

The students of Class XII gave their teachers some rest for the day, and took over their classes as student-teachers. Under the guidance of their teachers, they taught students of other classes with enthusiasm and dedication.

Spreading the Aura and Vibrance of Diwali

खुशियों वाली दीवाली

-Special assembly by Grade III and V

The students of Grade III and V presented a special program on the occasion of Diwali, themed "Khushiyan Wali Diwali." The event aimed to capture the essence of Diwali, illustrating the epic story of the Ramayana and spreading awareness about the festival's true spirit, which is to bring happiness and harmony. The program featured various performances, including a group song, a street play (nukkadnatak), and several dance and drama pieces. The event was attended by parents and guardians who were elated to witness the creativity and talent of the young performers. The program laid emphasis on the significance of Diwali as a festival of light and joy, highlighting the need to celebrate in a way that is environmentally friendly and socially conscious.

The event commenced with a group song by the students of Grade III and V who rhythmically enchanted the famed song from epic Ramayana- "Hum Katha Sunate," a melodious and harmonious rendition of the story of Lord Ram's journey as depicted in the Ramayana. The song portrayed key moments from the epic, including the exile of Ram, Sita, and Lakshman, the battle against Ravana, and the triumphant return to Ayodhya. The children sang with enthusiasm and clarity, capturing the audience's attention and setting the stage for the rest of the program. Following the group song, the students performed a nukkadnatak (street play) focusing on the harmful effects of firecrackers. The play was designed to raise awareness about the environmental and health impacts of firecrackers, emphasizing the importance of celebrating Diwali in an eco-friendly manner. Through engaging dialogues, humour, and dramatic effects, the students highlighted key issues such as air and noise pollution, health risks, and the potential harm to animals. The play concluded with a call to action, encouraging everyone to opt for a "green" Diwali and to focus on spreading joy through other means, such as sharing sweets and lighting diyas.

The program also included several dance and drama performances by both Grade III and V students. These acts creatively illustrated the spirit of Diwali, showcasing traditional dances and scenes from the Ramayana. The students' colourful costumes and energetic performances captivated the audience, bringing the story of Diwali to life. Notable performances included a traditional dance depicting the victory of good over evil and a drama sequence reenacting the coronation of Lord Ram in Ayodhya. The event concluded with closing remarks from the school Principal Mr. Vividh Gupta, who expressed gratitude to the students, teachers, and parents for their participation and support. He reiterated the message of celebrating a responsible and joyous Diwali, encouraging everyone to continue spreading happiness and positivity in their communities. The parents in attendance applauded the students' efforts, and many expressed their appreciation for the event's focus on social and environmental awareness.

*Celebrating the very essence of
unified BHARAT*

NATIONAL UNITY DAY

-Special assembly by Grade VI

Celebrating National Unity Day on October 31st each year, India honors the birth anniversary of Sardar Vallabhbhai Patel, a revered Indian statesman, politician, and freedom fighter who played a crucial role in the political integration of the country. This day symbolizes the spirit of unity and diversity in the nation.

In the vibrant atmosphere of unity, the essence of our beloved Bharat is likened to a golden bird, referred to as the "Sone ki Chidiya." The day is marked by joyous celebrations. At school, class VI celebrated the day through a special assembly dedicated to the contribution made by the Iron Man of India, Sardar Vallabh Bhai Patel in Unifying Bharat as one nation, on 30th October, 2023. Through various charismatic cultural performances showcasing the rich diversity of the nation, students of grade VI were able to captivate everyone.

The school's principal, Mr. Vividh Gupta, commended the students, praising the event for instilling a sense of pride in the unity of the nation. In his address, he drew parallels between the unity exhibited by the students and the great deeds of the Iron Man of India, Sardar Patel, serving as an invaluable lesson for the future.

National Unity Day serves as a continual reminder to uphold the spirit of unity and stay resolute in our commitment to duty. Wishing everyone heartfelt greetings on National Unity Day, a day that inspires unwavering dedication to the path of progress and fortitude.

January
26

Salute to the Republic Bharat

REPUBLIC DAY CELEBRATIONS

a Special Assembly by Grade VII

Celebrating Republic Day...

At Chhatrasal Stadium

-With Directorate of Education & Govt. of Delhi

The school procured a distinguished honour to take part in the 75th Republic Day celebrations on January 25, 2024, held at Chhatrasal Stadium in Delhi. The event was organized by the Delhi Government under the supervision of the Directorate of Education, and our school was amongst the only seven chosen from across the city to perform.

It was a unique opportunity for our students, providing them with an extraordinary platform to showcase

their talents and their deep sense of pride in India. They delivered a captivating performance that portrayed the spirit of a progressive and united Bharat. The students, dressed in vibrant costumes, presented the rhetoric dance in front of the Chief Minister of Delhi and other prominent government officials, including representatives from the Directorate of Education.

Their presentation was both energetic and heartfelt, demonstrating their commitment to representing the school's values and national pride. The participating students were recognized for their exceptional performance, receiving certificates and a trophy as token of appreciation for their hard work and dedication. This opportunity will undoubtedly be a cherished memory and a proud moment for our school community.

Visits and Excursions

AMONGST THE QUEEN OF HILLS....MUSSORIE WITH ROCKSPORT

Exploring Pradhanmantri Sangrahalaya with students of class VI

Visit to Inauguration Ceremony World Book Fair

Welcoming the lil White Tigers at National Zoological Park

Exploring Nature's Haven

Trip To Sunder Nursery

The students of Class IX embarked on a captivating journey to Sunder Nursery, immersing themselves in the splendour of nature's sanctuary. This educational escapade was a remarkable experience that unfolded amidst vibrant flora, historical remnants, and environmental serenity.

Sunder Nursery, renowned for its breathtaking amalgamation of heritage, biodiversity, and tranquillity, became an enriching classroom for our young learners. The visit commenced with an exploration of diverse plant species, fostering an understanding of their ecological significance and their role in sustaining our environment.

Guided by passionate instructors, the students delved into the historical treasures nestled within the nursery's bounds. They marvelled at the architectural remnants

dating back to the Mughal era, gaining insights into India's rich cultural heritage.

Engaging in interactive sessions and activities, the students actively participated in initiatives promoting environmental conservation. They learned about the importance of preserving green spaces, nurturing plant life, and fostering sustainable ecosystems.

FIT-INDIA DRIVE...a run towards cleaner India

Maintaining cleanliness should be more than just a preference; it ought to be a duty, as Mahatma Gandhi rightly emphasized the importance of cleanliness and sanitation for the well-being of the community, following this philosophy, our school hosted a Fit India Drive, a campaign designed to promote cleanliness in the community.

During the drive, the entire school community—faculty, students, administrative staff, and support personnel—came together to clean the areas surrounding the school. The

goal was not only to tidy up the neighbourhood but also to raise awareness and inspire others to keep their environment clean and litter-free.

This year's Fit India Drive was held on October 2, 2024, in honour of Gandhi Jayanti, the birth anniversary of Mahatma Gandhi. The event saw a large turnout, with participants enthusiastically picking up trash, plastic bags, cleaning streets, and setting a positive example for local residents. The initiative is a reminder of the impact that collective action can have on public health and the importance of maintaining a clean environment for the benefit of all.

School Health And Wellness Club

In response to the imperative of raising awareness regarding global health concerns and emphasizing the significance of maintaining good health, the School Health and Wellness Club has been vigorously engaged in promoting various activities aimed at fostering a culture of healthy living among students. By identifying and comprehensively addressing major global health challenges, the club endeavors to enhance students' understanding of how lifestyle choices can profoundly impact both personal well-being and community health. World Health Day serves as a pivotal occasion for the club to underscore the importance of preventive healthcare, urging students to actively engage in practices that prioritize disease prevention and overall wellness.

The club recognizes World Health Day as an opportunity to reflect on the remarkable achievements in public health that have positively influenced the quality of life over the past seven decades. Through organizing events and commemorating this global health awareness day, students are encouraged to acknowledge and celebrate the advancements in healthcare that have contributed to enhancing the overall well-being of individuals and communities worldwide.

World Health Day

Every year, on April 7th, the global community commemorates World Health Day, serving as a platform to raise awareness about critical health issues and promote healthier lifestyle choices. As an ode to the day, each year Bal Bhavan Celebrates the day with enthusiasm and diligence. A diverse array of activities is meticulously organized to foster optimal health and well-being among students, aiming to deepen their understanding of the importance of wellness and the cultivation of healthy eating habits.

For our pre-primary pupils, engaging activities such as crafting a balanced diet plate, practicing yoga sessions, and indulging in an assortment of fruits were arranged. These activities not only provided enjoyment but also instilled in them the significance of incorporating a variety of nutrients into their diets for overall health.

In line with this, Class II pupils embarked on the creative journey of assembling a "My Colourful Fruit Bowl," wherein they meticulously curated a selection of vibrantly colored fruits to concoct a refreshing fruit salad. Through this hands-on experience, the children gleaned valuable insights into the nutritional benefits of fruits for our overall well-being.

Our high school seniors actively participated in a spectrum of activities dedicated to honoring World Health Day. Notably, the artistic flair of poster-making enthusiasts from Class IX was showcased as they delved into thought-provoking discussions centered around the theme of "Health and Aging."

In a bid to inspire everyone towards embracing a healthy lifestyle, students of Class XII B took the initiative of hosting a poignant morning assembly. The compelling performances delivered by the students effectively underscored the intrinsic value of health while also shedding light on the dire consequences of neglecting it, leaving a lasting impact on the audience.

World Malaria Day

In light of the urgent need to raise awareness about the global endeavors to control and ultimately eradicate malaria, World Malaria Day serves as a poignant reminder that the fight against this disease is not confined to a single day but requires sustained, concerted efforts to save lives and create a healthier world for all.

On the occasion of World Malaria Day, the students of Class X-B took an initiative to conduct a morning assembly centered around the theme "Time to Deliver Zero Malaria: Invest, Innovate, Implement." This theme underscored the critical importance of allocating resources, devising innovative strategies, and implementing concrete actions to advance the collective goal of achieving zero malaria cases globally.

During the assembly, students emphasized the urgent need to invest in various resources, including financial support, research, and healthcare infrastructure, to effectively combat malaria. They also highlighted the importance of developing new tools, technologies, and approaches to enhance malaria prevention, diagnosis, and treatment.

The students emphasized and instigated the significance of deliberate efforts at both local and global levels to accelerate progress towards eliminating malaria. By advocating for a comprehensive approach that addresses the multifaceted challenges posed by malaria, the students of Class X-B aimed to inspire their peers and through them the broader community to take tangible actions in the fight against this preventable and treatable disease.

World Asthama Day

With the Air Quality Index (AQI) in Delhi soaring to alarming levels, surpassing the 500 mark, it has become imperative to sensitize both children and the community about the potential impact of pollution on respiratory health. This pressing need underscores the importance of adopting a healthy lifestyle to mitigate the risk of developing respiratory diseases. Specifically, there is a crucial need to raise awareness about chronic respiratory conditions such as asthma, dispel common misconceptions surrounding the disease, and highlight effective preventive measures and treatment options on a global scale.

Asthma, being a prevalent respiratory ailment, requires comprehensive understanding and awareness among individuals of all ages. It is crucial for students to grasp the significance of maintaining a healthy lifestyle as it directly impacts their respiratory health. Understanding the adage "A healthy mind resides in a healthy body," students can appreciate the importance of practices like yoga in promoting overall well-being and respiratory health.

To address these concerns and foster greater awareness, a morning assembly was organized in commemoration of World Asthma Day. The assembly served as a platform to delve into various aspects of asthma, including common misconceptions associated with the condition, essential first aid measures for asthma attacks, identification of asthma triggers, recognition of asthma-related warning signs or colors, and strategies for maintaining optimal lung health.

Through engaging presentations, interactive discussions, and informative displays, students were empowered with knowledge about asthma prevention, management, and treatment. By shedding light on the significance of cherishing and protecting one's lungs, the assembly aimed to inspire individuals to prioritize their respiratory health and adopt healthier lifestyle choices. Additionally, the incorporation of yoga and its benefits underscored the importance of holistic approaches to maintaining respiratory wellness.

Overall, the morning assembly served as a vital platform for raising awareness about asthma and promoting respiratory health within the school community. It facilitated informed discussions, dispelled misconceptions, and equipped students with practical strategies to safeguard their respiratory well-being amidst growing environmental challenges.

World Hypertension Day

In today's fast-paced world, characterized by hectic lifestyles and constant stressors, it is imperative to shed light on the pressing issue of hypertension and its potential grave medical implications for the upcoming generation of children. Sensitizing them to the gravity of this condition and equipping them with knowledge on prevention, early detection, and effective treatment is paramount. Recognizing this need, the students of Class VII took the initiative to present a thought-provoking morning assembly centered around this crucial theme.

Amidst the hustle and bustle of daily life, it is easy to overlook the silent yet formidable threat posed by hypertension. Therefore, the assembly served as a platform to raise awareness about World Hypertension Day and its significance in highlighting this silent killer. Through engaging skits and informative presentations, the students skillfully conveyed the importance of safeguarding ourselves and our loved ones from this life-altering disease.

Central to the assembly was the poignant reminder that the secret to a healthy mind and body lies not in dwelling on the past, fretting about the future, or anticipating troubles, but rather in embracing the present moment with wisdom and sincerity. This profound message resonated with the audience, urging them to prioritize mindfulness and conscious living as key pillars of holistic well-being.

The assembly culminated with a solemn pledge, wherein students vowed to take proactive measures to protect themselves and their families from the perils of hypertension. This pledge symbolized a collective commitment to promoting health and wellness within the school community and beyond.

The morning assembly presented by Class VII served as a powerful reminder of the importance of mindfulness, proactive health management, and community awareness in combating the rising tide of hypertension. Through their passionate advocacy and insightful presentations, the students illuminated the path towards a healthier and more empowered future.

International Yoga Day

In recognition to the holistic nature of yoga as a practice that integrates the mind, body, and spirit, International Yoga Day is celebrated worldwide. Yoga as a practice develops flexibility, strength, and balance through a consistent practice. In order to make our students understand the global significance of International Yoga Day as a celebration of unity and well-being and to raise awareness about the numerous benefits of practicing yoga and promoting its holistic approach to health, school organized yoga session for parents, teachers and students in the school ground.

It had been encouraging and delightful to receive our partner schools from Siberia, Taiwan and South Korea attendees and the sheer joy to teach them various yoga poses, showcasing yoga's capacity to unite individuals from diverse backgrounds and foster a collective feeling of well-being. The yoga practice and the relationships and cross-cultural exchanges that occur are credited with the event's success.

The day is a celebration of India's rich cultural heritage, 'YOG' and the profound impact it has on healthy living. We are honored as a nation to have taken the lead internationally in promoting this venerable profession.

Dental Hygiene

National Mango Day

"Every Day is Magnificent"

Instilling love for fruits and celebrating the nutritional value of fruits, National Mango Day was celebrated, spreading awareness about the wonder fruit and relishing its flavours, colour, diversity, and varied mango dishes. Students were engaged in hands-on learning experiences making them skills to plant mango seeds. Making homemademango ice creams that are healthy were taught to the little tiny tots of primary wing.

National Mango Day was brilliantly observed by kids who were taught a daily plan for making dishes from mango, such as mango shake, mango chaat, and morning drink. Class I-II students were made to explore through the process of producing ice cream and discussing its key components.

CPR Workshop For Teachers & Students

As most deaths in India occur due to negligence and ignorance, giving CPR is one skill that most people lack and are unaware of. As we believe that both teachers as well student community need to be educated about the procedure to CPR, school organized two workshops both for students and teachers individually, guiding them on the need, procedure and necessity of this key skill to save life in cases of cardiac arrest.

Students were guided upon skills of providing CPR; stress was laid on key aspects such as maintaining open airway to ensure proper breathing in patient, restoration of blood flow to the brain and other vital organs by pumping blood manually through chest compressions. The attendees were guided upon basic skills to buy time until professional medical help arrives and how to increase the chances of survival and reduce the risk of brain damage in patients.

The school hosted a basic first aid and CPR workshop, under the guidance of Dr. Sushil Shukla and Dr. Shweta Shukla for teachers and school staff in the month of August, to promotes a sense of safety. The Heart Care Foundation of India hosted a CPR (Cardiopulmonary Resuscitation) for students in the month of October. The workshop was aimed to address various CPR-related aspects and provided practical demonstrations and hands-on training to both students and teachers. The workshop gave a message to all the attendees that CPR is not just a medical procedure; it's a humanitarian act. It made them capable of managing incidents and allowed them to take care of children's injuries promptly. Implementing first aid training for teachers, school staff and students had been a commendable initiative with several positive outcomes.

World Mental Health Day

Mental health is important at all stages of life. In the age of growing stress and pressure brimming at all ends, specially in student life, it is of importance to initiate measure to check upon mental health and wellbeing of students.

Paying tribute to the day and to raise awareness about World Mental Health Day, school's team of counselors became a part of special assembly, where they discussed a need of mental health. They organized various activities focusing on mental well-being, including poster making, discussions on body image, anti-bullying initiatives, inclusive education, media's impact, tackling peer pressure, and the power of communication.

Workshop on Anti-Bullying

Together, we create a safe, nurturing environment for every child. Empowering our students to stand against violence and bullying! Bal Bhavan Public School, in collaboration with UNESCO, conducted an enlightening session educating our students about the harmful effects of bullying. School Principal Mr. Vividh Gupta and counselor Ms. Gunjan shared valuable insights, emphasizing the importance of kindness and empathy with students.

Swacchata Pakhwaada

Cleanliness and hygiene lead to health and wellness, hence it is necessary to promote cleanliness and hygiene in one's behavior. To spread awareness and evoke sensitivity and contributing to the successful implementation of Swachh Bharat Abhiyaan school organized a SwacchataPakhwaada. In order to bringbehavioral changes in students towards sanitation and hygiene and to motivate them to adopt a proper sanitation model for better health and life, school, school organized little hands-on experiences for students.

In Class 1, the students conducted a soap and pepper experiment, which taught them the effect of soap on germs and the need of cleaning hands. This hands-on activity helped them understand the significance of proper handwashing and maintaining personal hygiene.

Students of class two were part of waste segregation activity. Through this activity, they learned about the importance of separating different types of waste, such as recyclables, organic waste, and non-recyclables. This understanding is a contribution to a cleaner and more sustainable environment.

In Class 3 and 4, the students expressed their views on cleanliness through creative writing. They watched a video that inspired them to express their thoughts and ideas on maintaining cleanliness in their surroundings. Their creative expressions in form of essays showcased their understanding and commitment to a clean and healthy environment.

Class 5students took a lead in organizing a cleanliness drive within their classroom. They actively participated in cleaning and organizing their learning space, promoting a sense of responsibility and pride in maintaining a clean environment. These activities demonstrate the enthusiasm and awareness our students have towards cleanliness and hygiene. They have not only gained knowledge but have also taken practical steps to make a positive impact.

Adding more to the efforts of promoting hygiene and sanitation theschool organized experiential workshop conducted by an eminent resource person Mr. Chandra Prakash on 29th January, 2024. The workshop aimed to empower the little Bal Bhavanites to lead a healthier life by initiating the importance of washing hands, further lead by correct steps to be followed while washing the hands. The explanation through animistic video kept them engaged and excited for the whole session.

Awareness talk with Mr. Anshul Pratap Singh, themed Myopia- Control and General Eye Health for students of class VI to VIII by Sharp Eyesight Centre

Hand Washing Activity

SCHOOL ECO CLUB

...NURTURING ENVIRONMENTALLY CONSCIOUS CITIZENS

The Eco club at school aims to cultivate a sense of environmental responsibility and sustainability among youngsters. Through educational initiatives, hands-on activities, and community engagement activities, the club has been raising awareness about environmental issues, promoting eco-friendly practices, and instilling a lifelong commitment amongst youngsters to protect the planet. By involving students in projects like tree plantation, waste reduction, and conservation efforts, the club aims to inspire a generation of kids that is not only environmentally conscious but also actively contributes to creating a greener and more sustainable future for the broader community and society.

Each individual is Environment Steward, holding a diligent responsibility of protecting the planet. The goal to foster a sense of responsibility for the planet, encouraging students to reflect on their individual actions, the school has been celebrating Earth Day with vibrant enthusiasm. The event featured diverse activities across all classes to engage them and make them environment conscious.

Students of Class Nursery embarked on a nature tour, fostering a connection with the environment. Classes III-V showcased their creativity through ideas and models promoting sustainable practices, while students of classes VI-VIII participated in poster making, story board making, and crafting artifacts from paper pulp. Class XI orchestrated a class assembly dedicated to Earth Day, enlightening the school community on the significance of environmental conservation.

Through the active participation in Earth Day activities, students developed a comprehensive understanding of environmental stewardship and enhancing their awareness on global issues. The experience cultivated teamwork, critical thinking, and a sense of responsibility for the planet amongst students and adopting an environmentally conscious behaviour for a more ecologically responsible future.

CAMPAIGN AGAINST 'AIR POLLUTION'

The "Campaign Against Air Pollution," engaged students in impactful activities which included a compelling Nukkad Natak that brought attention to the urgency of addressing air pollution. Slogan writing activity with a theme 'Less Smoke, More Sparkle' encouraged creative expressions advocating cleaner air. A discussion and talk during the class delved into the causes and consequences of degrading air quality, fostering awareness. The campaign culminated with a collective pledge, where students committed to adopting sustainable practices and promoting a cleaner, healthier atmosphere. These activities not only educated students but also inspired a commitment to combat air pollution and contribute to a greener, more sustainable future.

WORLD BIODIVERSITY DAY

The Celebration of Biodiversity Day was a vibrant educational event where students actively participated in diverse array of activities, including poster making and slogan writing, showcasing their respect and awareness about biodiversity. The Tide Turner quiz challenged their knowledge, and a Visit to the Yamuna River as part of the Clean Yamuna Campaign emphasized the importance of preserving aquatic ecosystems. An Inter-House Poem Recitation competition allowed students to express their sentiments towards nature. The day fostered a sense of environmental responsibility, promoting a deeper connection with the world's diverse ecosystems among the student body. The celebration resulted in enriched learning outcomes for students deepening their understanding of biodiversity.

WORLD ENVIRONMENT DAY

Promoting environmental awareness and responsibility in students through activities, discussions, and initiatives help them gain knowledge and insights about the importance of protecting the environment, fostering a sense of responsibility and encouraging sustainable practices.

As we celebrate World Environment Day, Students of class VIII procured an opportunity to attend ParyavaranSammelen at Thyagraj Stadium, New Delhi. The event was graced by the presence of Honorable Chief Minister Sh. Arwind Kejriwal ji and Environment Minister Sh. Gopal Rai ji. The focus was on finding solutions to plastic pollution under the campaign #BeatPlasticPollution.

Class III students contributed to the day by planting saplings as a part of 'Ecosystem Restoration.' The small yet meaningful step demonstrated their commitment to environmental preservation and kindness towards nature. The collective efforts underscored the school's dedication to fostering environmental awareness among students.

An enriching webinar on the theme for students, facilitated in-depth insights into biodiversity and a sense of responsibility and empathy towards nature and environment. The school has been committed and dedicated to holistic environmental education and fostering sustainable environs in school premises.

VAN MAHOTSAVA

Van Mahotsav was celebrated by students of class 4 wherein they engaged in activities such as creating seed balls and various other creative hand-on initiatives promoting healthy environs. Class 5 students were involved in discussion about the significance of the day followed by a Kahoot Quiz for enhanced comprehension. Taking a proactive stance, students from classes VI-XII organized a plantation drive promoting "One Child One Plant". The initiative aimed at instilling a sense of responsibility towards nature, promoting environmental awareness, and contributing to a greener future.

The Van Mahotsav celebrations at Bal Bhavan Public School yielded significant learning outcomes. Class 4 engaged in hands-on learning by creating seed balls, enhancing understanding of plant growth. Class 5 participated in a healthy discussion and Kahoot Quiz for comprehensive knowledge. Classes VI-XII organized a "One Child One Plant" plantation drive, instilling environmental responsibility and sustainability awareness.

"Plastic lasts forever, but our planet cannot. Let's choose wisely and say no to single-use plastic."

Through educational initiatives, hands-on activities, and advocacy efforts, school has been ensuring a comprehensive understanding of the environmental impact of single-use plastics and develop practical solutions to reduce, reuse, and recycle, fostering a commitment to a plastic-free and environmentally conscious lifestyle.

The school spearheaded an initiative under the theme 'Elimination of Single Use Plastic,' hosting a series of engaging activities to raise awareness and instil responsible habits among students. With an insightful speech on the ecological impact of plastic pollution presented by the students of Classes IX-X, the campaign proceeded to a stimulating quiz organised for classes VI-VIII, testing knowledge on sustainable practices. The poster designing activity for classes VI-VIII and spirited slogan writing activity for classes IX-XII were also organised to advocate plastic-free lifestyle. The powerful medium- NukkadNatak was employed by classes IX-XII to emphasize the urgency of adopting Eco-Friendly alternatives. In addition, the Eco Club In-charge and teachers delivered informative lectures, shedding light on the global plastic crisis. These activities collectively propelled a cultural shift towards conscientious consumption, inspiring students to champion a greener, plastic-free future. The campaign spurred transformative outcomes fostering a commitment to a plastic-free lifestyle and a greener future.

SINGLE USE PLASTIC COLLECTION CAMPAIGN

SWACHTA PAKHWADA

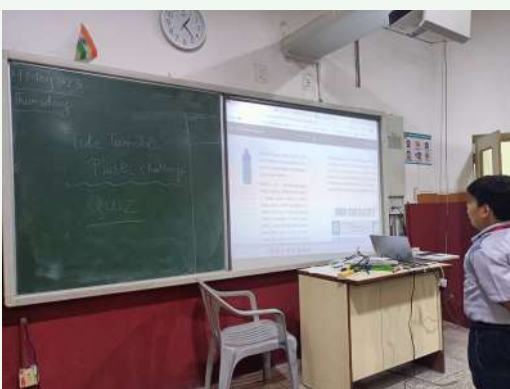

To foster a culture of cleanliness, personal hygiene, and civic responsibility, contributing to a healthier and more environmentally conscious school community, the school initiated Swachhta Pakhwada with diverse activities, developing a commitment to cleanliness and hygiene. The Swachhta Rally on October 2, 2023, aimed at cleaning school neighbourhood and close peripheries. Students carried placards with impactful slogans raising awareness and demonstrated a collective commitment to a clean environment. Students actively engaged in diverse activities promoting cleanliness and hygiene. Slogan writing and poster making activities unleashed creativity, advocating for a cleaner environment. A discussion on health and hygiene further educated students, emphasizing the importance of cleanliness. Rolling board decorations on the theme of cleanliness created a visually engaging environment that reinforced the significance of maintaining cleanliness and hygiene in both personal and communal spaces.

E-WASTE COLLECTION

With an objective of educating students on the environmental impact of electronic waste and to promote responsible disposal practices and raise awareness about the importance of recycling electronic devices. Students develop a sense of environmental responsibility and contributed in reducing the ecological footprint through proper e-waste management.

The school recently organized an e-waste collection drive to address the growing environmental concern of electronic waste. Students actively participated, collecting obsolete devices from students and other members of school community. The initiative aimed at promoting responsible disposal practices, raise awareness about the hazards of improper e-waste management, and emphasize the importance of recycling. The drive successfully gathered a substantial amount of electronic waste, contributing to environmental sustainability. Students not only gained firsthand experience in waste management but also played a pivotal role in fostering a culture of responsible e-waste disposal within the school community. Future initiatives are encouraged to continue promoting eco-conscious practices.

E-waste Collection Model

PLASTIC WASTE COLLECTION DRIVE

The Plastic Waste Collection Drive is carried out throughout the year where students actively collect plastic waste, contributing to a sustainable future. The amassed plastic is sent to ICPE, a recycling organization, promoting responsible disposal. As a part of the initiative, ICPE conducted an enlightening workshop for students on Plastic Waste Management, enhancing students' understanding. A quiz on plastic waste management tested the knowledge of students, reinforcing the importance of responsible plastic use. The activities not only facilitated tangible contributions to waste reduction but also educated students on effective plastic management, fostering a culture of environmental responsibility and a commitment to a cleaner, greener planet.

WORLD SOIL DAY

Caring for the planet starts from the ground, while soil plays an essential role in the growth of food and in the survival of humankind, there is a global increase in degradation of soil. It is thus important to celebrate it every day of the year, to make sure that future generations understand the gravity of the issue and how they can make a positive impact through their own actions and behaviours. Students of class IV & V showed how soil- a natural resource, needs the caring touch of kids the most. Children mixed the soil with manures and made seed balls with it. They conducted a morning assembly on the theme to raise awareness among learners sensitizing them on the importance and relationship between soil and life of humans. The students learned the reasons of soil degradation and importance of keeping soil fertile for future needs.

WETLANDS MITRAS PLEDGE

Students of classes VI- VIII were presented a video highlighting the importance of wetland. As the future is inextricably tied to these natural environments and the collective and overwhelming efforts are required to save and revive the wetlands of our country, the students were told about the benefits of wetlands such as how they contribute in purifying and replenishing water resources, serve as a natural sponge against flooding and drought, protect our coastline and help fight climate change. Students pledged to become Wetland Mitras to protect wetlands as they are vital for life and were sensitized about the human activities that causes harm to wetlands and the necessary steps to protect wetland areas.

COMPOSTING

Implementing composting at the school level aims to educate students about environmental impact, application of scientific concepts in decomposition, develop practical skills, promote sustainable practices, encourage teamwork, and foster critical thinking in students. The hands-on approach connects classroom learning to real-world issues, instilling a sense of responsibility for sustainable waste management.

The school's composting initiative, conducted to enhance environmental awareness, involved students in setting up bins, collecting organic waste, and managing the composting process. Through hands-on experience, students learned the science of decomposition, monitored compost conditions, and actively engaged in the waste reduction effort. The practical approach instilled skills, highlighted the importance of composting for soil health, and fostered a sense of responsibility. The initiative successfully contributed in reduction of landfill waste, promoting sustainability. This eco-conscious project not only aligned with the curriculum but also contributed to a holistic understanding of environmental stewardship, encouraging future initiatives for continued waste reduction and composting practices at the school level.

RAIN WATER HARVESTING

The purpose of rainwater harvesting program at school is to enable a comprehensive understanding of sustainable waste water management among students. The school's rainwater harvesting initiative has successfully implemented a sustainable water management system. With strategically placed collection structures, we've harnessed rainwater for various purposes, reducing dependency on external sources. This not only conserves water but also instils environmental awareness in students. Practical involvement in system design and maintenance has empowered them with hands-on skills. The initiative fosters a sense of responsibility for resource conservation and promotes a greener, more sustainable campus. The rainwater collected is efficiently utilized for toilets and other washing purposes, further contributing to water conservation and demonstrating the practical applications of eco-friendly practices

Making children cyber secure...

CYBER SAFETY CLUB

Technology is beautiful in safe hands...

In an era dominated by technology, where the click of a button can connect us with the world, the importance of cyber safety has never been more pronounced. As the digital landscape evolves, so do the risks associated with it. From cyber bullying and online predators to phishing scams and identity theft, the threats lurking in cyberspace are diverse and pervasive. In this digital age, where our students are the primary inhabitants of this virtual realm, it's imperative that we equip them with the tools and knowledge to navigate it safely.

The school's Cyber Safety Club serves as a proactive measure in addressing the growing concerns surrounding online safety. By educating students about the various risks associated with the internet and social media, we empower them to make informed decisions and protect themselves from potential harm. Through workshops, seminars, and interactive sessions, students learn about the importance of privacy settings, the dangers of sharing personal information online, and the consequences of cyber bullying. These educational initiatives are aimed to not only raise awareness but also foster a culture of responsibility and accountability among students when it comes to their online behaviour.

SCRAPBOOK ACTIVITY

The Convergence of Creativity and Innovation: **SHADOW PUPPETRY**

The Shadow Puppets activity was a Cyber Club initiative for IX grade students, which seamlessly integrated traditional artistry with cutting-edge technology. Guided by the famous words of Albert Einstein, "The true sign of intelligence is not knowledge but imagination," the activity sparked curiosity and creativity among participants. Through

hand gestures in front of desktop, students brought to life zodiac symbols identified by a TensorFlow model, fostering both imagination and technological literacy. This innovative blend of art and AI not only engaged students but also encouraged them to think innovatively and endure in the face of challenges. As they navigated

through the activity, they discovered the intrinsic connection between creativity and problem-solving, his dynamic exploration not only enriched their understanding of art and technology but also instilled a deep sense of confidence in their ability to tackle complex tasks.

Empowering Tomorrow's Cyber Defenders... **KAHOOT QUIZ**

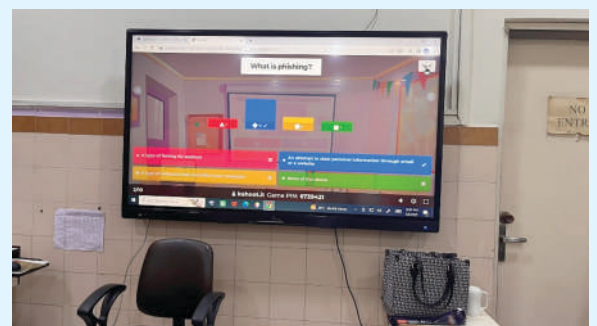

Amidst the ever-evolving landscape of cyber threats, prioritizing proactive education has emerged as an essential strategy. Renowned cybersecurity expert Bruce Schneier aptly reflected on this necessity, emphasizing the crucial role of staying ahead in the face of evolving challenges. Organizing Kahoot quizzes tailored for students in classes IX to XII epitomized this proactive

approach,

offering an engaging platform to impart vital cybersecurity knowledge. Through interactive sessions, students actively participated in learning about identifying phishing scams, crafting secure passwords, and comprehending online risks. This initiative not only deepened their

understanding of cybersecurity but also instilled a positive mindset, equipping students with the skills and confidence to navigate the digital realm effectively.

Collaborate and Empower: The Cyber Club's Peer Learning **CYBER JAGROOKTA DIWAS**

In a world propelled by digital innovation, delving into the sphere of cybersecurity from an early age has become an exhilarating adventure. Led by student leader Nikhil Choubey of class X, the Cyber Club's initiative Cyber Jagrookta Diwas prioritized peer learning among students of class IX and XII, igniting a spark of

awareness and empowering young minds to fortify their digital

identities. Through this collaborative exploration, they strengthened digital identities and advocated for a secure digital future. Within this dynamic environment, students actively participated in hands-on activities, enhancing their understanding of cybersecurity concepts. Nikhil Choubey's leadership fostered proactive engagement in cybersecurity education, empowering peers to safeguard their digital footprint and foster a culture of cyber-awareness.

Embarking on a Cinematic Quest for Understanding...

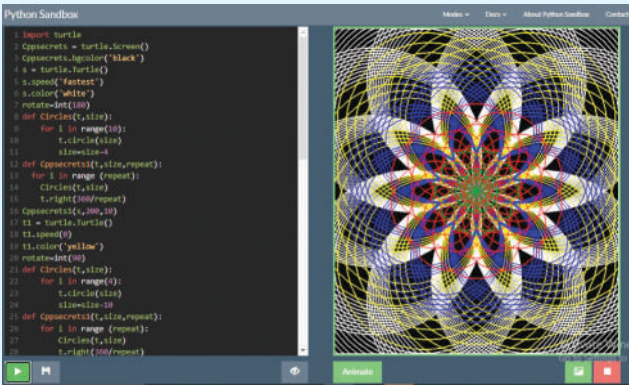

Movie Time

In the realm of education, a captivating cinematic journey unfolded as students from classes I to V embarked on an adventure to unravel the mysteries of online safety. Immersed in this experience, students delved into the complexities of social media while refining their critical thinking skills regarding online behaviour. Children navigated the digital landscape, empowering them to make informed choices and become responsible digital citizens. As the renowned philosopher Plato once pondered, "The direction in which education commences will shape the future of an individual." Through the mesmerizing allure of movies, young minds were enthralled. This immersive exploration not only deepened their understanding of social media intricacies but also cultivated a sense of digital responsibility, shaping them into diligent members of the online community.

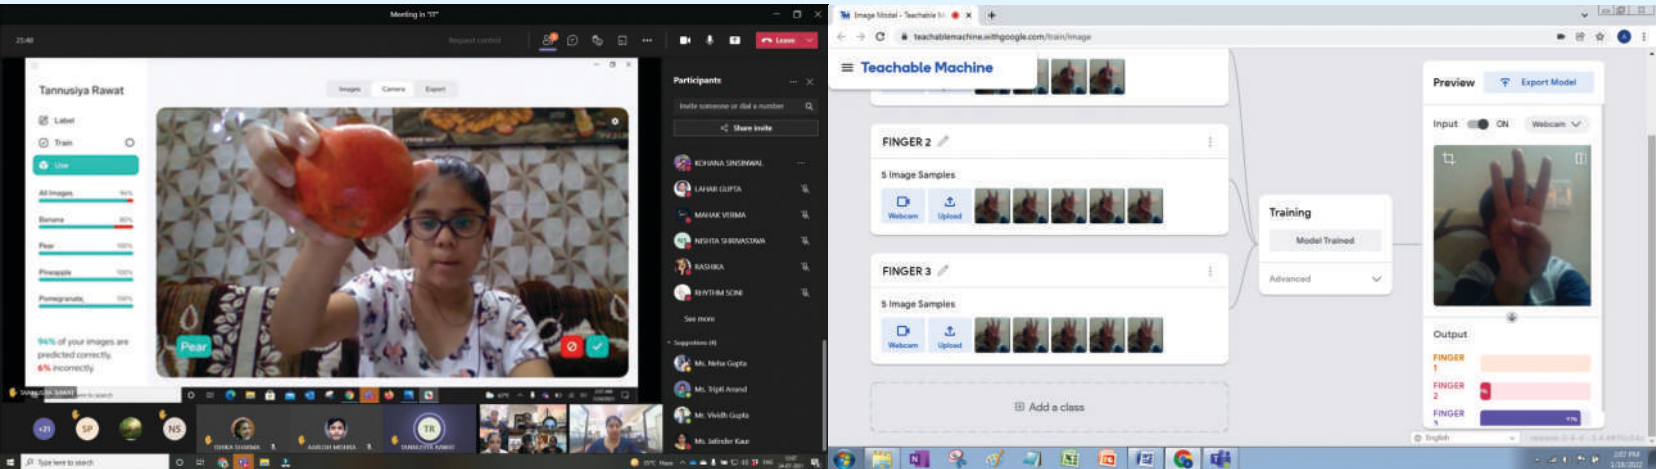

Dive into the Realm of BLOCK CODING

Undertaken by the vibrant cohort of the Cyber Club, comprising of enthusiastic VII grade scholars who developed a quiz application centred on the "G20 Summit" using MIT App as a testament to their technological acumen. In this endeavour, students dived into the realm of block coding, unravelling its profound potential in application development while simultaneously broadening their grasp of global diplomacy. Guided by the user-friendly interface of MIT App Inventor, they seamlessly transposed their conceptualizations into tangible and fully functional applications.

This immersive experience not only equipped students with valuable insights into app development but also fostered a heightened awareness of international affairs.

Empowering Young Minds through Video Education FOSTERING CYBER LITERACY

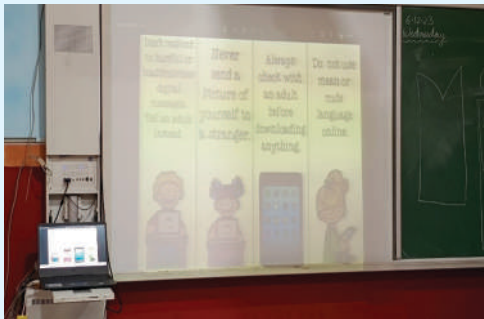

In response to the heightened vulnerability of children to cybercrime, a concerted effort has been made to bolster cyber awareness among students of classes I to V through the utilization of educational videos. By immersing young learners in visually engaging content, these videos effectively conveyed essential cyber safety principles, equipping students with the knowledge and skills necessary to recognize and mitigate risks in the digital realm. Through increased exposure to informative material, students developed a heightened awareness of potential online threats and are empowered to adopt proactive measures to safeguard themselves, ultimately fostering a generation of digitally literate individuals capable of navigating the digital landscape safely and responsibly.

Shaping Responsible Digital Citizens

BOOKMARK ACTIVITY

In observance of Cyber Jagrookta Diwas, a day dedicated to fostering cyber awareness, the Cyber Club orchestrated a series of captivating activities aimed at boosting online safety among students from grades VI to VIII. The bookmark-making session unfolded as a creative endeavour, serving to instil awareness of cyber safety protocols while emphasizing the enduring value of perpetual learning. As one participant eloquently expressed, "Crafting bookmarks adorned with cyber safety guidelines isn't just about artistry; it's a tangible reminder of our

commitment to vigilance in the digital realm." Through this hands-on engagement, students not only honed their artistic skills but also internalized the essence of cyber vigilance, aligning closely with the Cyber Club's supreme mission.

Additionally, the scope of the initiative expanded to encompass a mass awareness assembly spearheaded by the proactive students of Class VIII, who enlightened their peers on essential cyber security protocols. The resounding sentiment, "Education is the

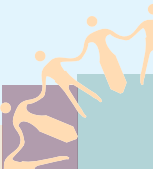

cornerstone of empowerment in the digital age," reverberated throughout the assembly hall, amplifying the students' fervent advocacy for online safety. In parallel, students spanning from Class VI to VIII leveraged digital platforms to create an impactful presentation using PowerPoint, spotlighting the significance of Cyber Jagrookta Diwas and underscoring the imperative of maintaining online safety. These collective endeavours served as a testament to the unwavering commitment towards nurturing a culture of cyber awareness and fostering responsible digital citizenship among students, fostering their ability to navigate the online landscape with prudence and resilience under the tutelage of the Cyber Club.

Canva and Cyber Security Fusion

DIGITAL DEFENDERS

The school's Cyber Club led an engaging Cyber Security Awareness Campaign for Class VI, aiming to introduce students to Canva software while teaching them about Cyber Security. Through fun sessions organized by the Cyber Club, students learned to use Canva to create posters and banners, combining digital creativity with knowledge about online safety. Students not only mastered Canva for graphic design but also grasped important Cyber Security concepts. With newfound skills and awareness, students are now better equipped to navigate the digital world confidently, ready to express their creativity while staying safe online. This initiative not only enhanced their digital literacy but also fostered a sense of responsibility towards online security. The Cyber Club's efforts have laid a solid foundation for students to become informed and empowered digital citizens, prepared to make a positive impact in the online sphere.

Exploring Tech Ethics

POSTER MAKING ACTIVITY

On National Technology Day

National Technology Day was commemorated with a poster-making event tailored specifically for students of Class V with an aim to instil in them a deeper understanding of responsible technology usage. Guided by their educators, students delved into themes such as innovation and digital literacy, expressing their reflections through vibrant artwork. The event not only fostered creativity but also encouraged meaningful discussions about the ethical considerations surrounding technology. By engaging in this activity, students gained valuable insights into the societal impact of technology, equipping them with the critical thinking skills necessary to navigate the digital world responsibly.

PEER LEARNING INITIATIVE

CONSTITUTION DAY

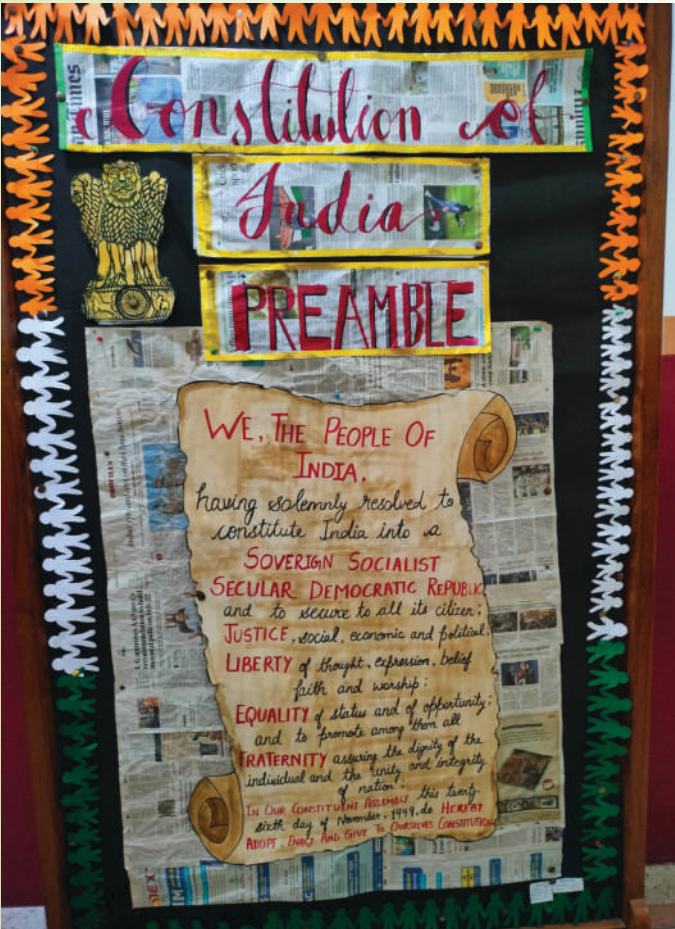

BOOKMARK ACTIVITY

The Constitution transcends the realm of legal jargon; it embodies the very essence of life itself, representing the enduring spirit of our nation through the ages. The remarkable resilience and thriving existence of democracy amidst our country's diverse conditions stand as a beacon of pride, with the Indian Constitution serving as its unwavering backbone. As a tribute to the monumental role of the Indian Constitution, the Government of India designated November 26th as Constitution Day, in honour of the revered Father of the Indian Constitution, Dr. B.R. Ambedkar.

The day was marked by a sense of solemnity and reverence as students immersed themselves in various creative endeavours. From designing intricate bookmarks and illustrating captivating storyboards to crafting insightful caricatures and meticulously transcribing the preamble, each activity served as a poignant reminder of the enduring principles enshrined within our Constitution.

Through these activities, students not only showcased their artistic talents but also deepened their understanding of the core values that underpin our democracy: justice, equality, liberty, and fraternity. By actively engaging with the essence of the Constitution, students not only celebrated its legacy but also reaffirmed their commitment to upholding its principles in the fabric of our society."

Building upon this momentum, the school also ingeniously themed its Annual Cultural Fest, Galaxia around the central theme of the Indian Constitution and democracy. Through vibrant performances in form of Indian Folk Dances, Debates, Street Plays, Art events and various other thought-provoking presentations and engaging activities, students and faculty alike celebrated the rich tapestry of our constitutional heritage, further solidifying their commitment to upholding its ideals in every facet of life."

Reaffirming Preamble We the People

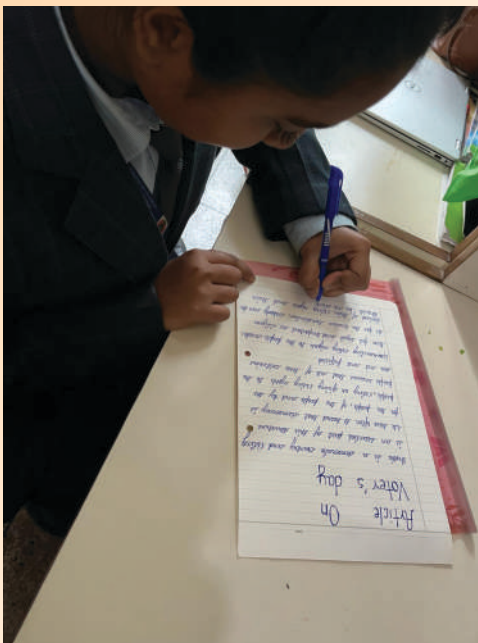

CARICATURE ACTIVITY

STORY BOARD ACTIVITY

NATIONAL VOTER'S DAY

Preparing Voters of Tomorrow

The Legal and Literacy Club in collaboration with the school's Social Science Department, celebrated the National Voters Day on 25th January, 2024, commemorating the foundation day of the esteemed Election Commission of India. Through a meticulously planned array of activities, the event aimed to underscore the significance of democratic principles and values that serve as the bedrock of our nation's governance.

PLEDGING FOR JUSTICE

PANCH PRAN PLEDGE

In pursuit of fostering a culture of responsibility and ethical citizenship, the Legal Literacy Club took an initiative to organize an activity centred around the theme of "Panch Pran." This event aimed to engage students in thoughtful reflection on the values of life and its sanctity, while also emphasizing their role in shaping a just and harmonious society.

During the event, students were encouraged to come forth and take a solemn pledge on Law and Justice, committing themselves to fulfilling their duties as responsible citizens with honesty. The pledge, aimed at envisioning a developed India in the next 25 years, resonated with the theme of "Panch Pran" and underscored the importance of upholding moral and ethical principles in all aspects of life.

The theme served as the cornerstone of the event, symbolizing the reverence for life and the inherent dignity of every individual. Through the pledge, students affirmed their commitment to respecting the right to life of every individual, promoting empathy, and fostering a harmonious environment where justice prevails.

The initiative not only encouraged legal awareness but also facilitated a deeper reflection on the moral and ethical principles that guide our actions. By engaging in discussions and the given activity, students gained a greater understanding of their role in upholding the sanctity of life within the school community and beyond.

Through this event, the Legal Literacy Club tried to empower students to recognize their role in shaping a just and inclusive society. By taking the pledge on Law and Justice and reflecting on the values of 'Panch Pran' students were equipped with the knowledge and motivation to uphold moral and ethical principles in their daily lives.

The "Panch Pran" activity organized by the Legal Literacy Club served as a poignant reminder of the importance of upholding the sanctity of life and promoting justice in our society. Through thoughtful reflection and meaningful engagement, students reaffirmed their commitment to fulfilling their duties as responsible citizens and contributing towards the development of a just and harmonious India by 2047.

Election Awareness Workshop

sensitising #Youth empowering #Voter

As India is going to host its 18th Lok Sabha Election, it is a need to sensitize upcoming voters about their poignant role as voters as well as election procedures. As a part of the same, an Election Awareness Workshop was held in the month of February, where students from classes VIII, IX, and XI were sensitized about their pivotal role of voting in a democratic society. The event was graced by the presence of esteemed dignitaries; Shri Puneet Kumar Patel, the Additional District Magistrate of East Delhi along with Ms. Anita Chawla, the AERO, and Mr. Deep Chandra Joshi, an IT professional from the election regulatory board, who shared their invaluable insights with the students. They enlightened the young minds about crucial topics such as updating the Voter's list, understanding various forms, and the enrolment process to become a voter. The

program skilfully presented a captivating cultural showcase featuring a melodious song by the school musical group 'Pehchan,' a soul-stirring poem and an engaging Street Play by the talented students of Class XI.

The students from classes VI to VIII actively participated in various activities meticulously crafted around the theme of National Voter's Day, further enhancing their understanding of the democratic process. To provide a hands-on experience of the voting process, an Electronic Voting Machine (EVM) and a Voter Verification Paper Audit Trail (VVPAT) were installed in the school premises, allowing students to engage in a mock voting exercise. The participation of the School Principal, Mr. Vividh Gupta, along with the esteemed guest and school teachers, further enriched the experience for both students and staff alike.

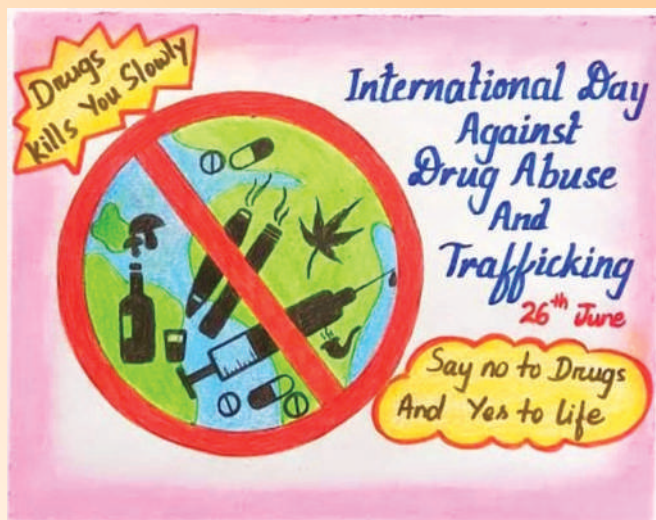

The celebration of National Voters Day served as a meaningful platform for students to deepen their understanding of democratic principles while actively engaging in the democratic process through immersive and interactive activities.

International Day against Drug Abuse and Trafficking The Slogan Writing Competition

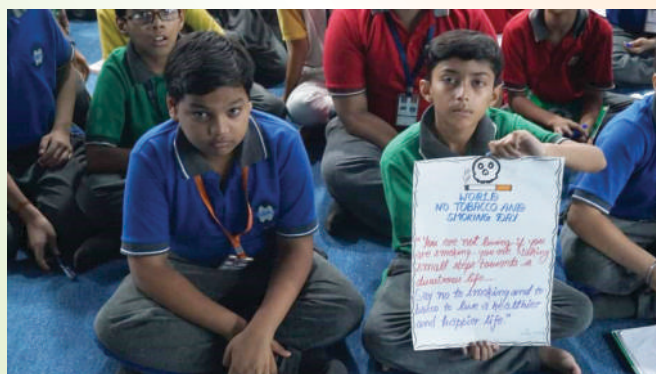

Every year, the International Day against Drug Abuse and Trafficking is observed on June 26th as a global initiative to raise awareness about the dangers of drug abuse and illicit trafficking, while also promoting efforts to combat these issues. In line with this important occasion, the school organized a Slogan Writing Competition, specifically tailored for students of classes XI and XII. The theme of the competition, "People First: Stop Stigma and Discrimination, Strengthen Prevention," aimed to highlight the importance of prioritizing the well-being of individuals affected by drug abuse and trafficking, while emphasizing the need for collective action to prevent these problems.

The competition served as a significant educational opportunity for students, offering them a platform to express their thoughts and ideas on a topic of global significance. Through their creative slogans, participants were encouraged to explore innovative ways to address the root causes of drug abuse and trafficking, while also promoting inclusivity and compassion towards those affected by these issues.

By engaging in this competition, students were sensitized to the broader goals of international efforts to combat drug abuse and trafficking. They gained a deeper understanding of the importance of promoting prevention strategies and reducing stigma and discrimination associated with substance abuse. Moreover, the competition fostered a sense of responsibility among students to contribute towards building a safer and more supportive society, where individuals are empowered to make healthy choices and seek help when needed.

The Slogan Writing Competition not only provided an enriching and thought-provoking experience for students, empowering them to become advocates for positive change in their communities but also made them aware and empathetic towards the victims. The given activity reaffirmed school's commitment to nurturing responsible and socially conscious citizens who prioritize the well-being of others and strive towards creating a world free from the scourge of drug abuse and trafficking.

Workshop on Women's Rights

District Disaster Management Authority East, in collaboration with District Legal Services Authority East, organized a comprehensive Mass Awareness and Training cum Sensitization Program on Women's Rights in the month of August. The event proved to be an enlightening session that delved into critical topics shaping our society and empowering individuals with knowledge and skills to navigate

various legal and social challenges.

The program commenced with an in-depth exploration of the protective measures provided under the POCSO (Protection of Children from Sexual Offences) Act, aiming to raise awareness about child rights and the legal framework designed to safeguard them from sexual abuse and exploitation. Through interactive sessions and informative presentations, participants gained a deeper understanding of their rights and responsibilities in ensuring the safety and well-being of children.

Furthermore, the program shed light on women-centric schemes and initiatives aimed at empowering women economically, socially, and legally. Girl Participants were introduced to various government schemes and policies tailored to address the specific needs and challenges faced by women, thereby fostering their socio-

economic empowerment and participation in decision-making processes.

Another crucial aspect covered during the session was disaster management, emphasizing the importance of preparedness, response, and recovery measures in mitigating the impact of disasters, especially on vulnerable groups such as women and children. Participants received training on disaster risk reduction strategies and practical tips for

ensuring their safety and well-being in the times of emergencies.

The program highlighted the significance of legal counselling in addressing issues related to sexual harassment and gender-based violence. Participants learned about their rights under relevant laws and the avenues available for seeking legal redressal and support in cases of harassment or abuse. By equipping individuals with knowledge about their legal rights and available resources, the program aimed to empower them to take proactive steps towards protecting themselves and seeking justice.

The Mass Awareness and Training cum Sensitization Program on Women's Rights provided participants with invaluable insights and practical knowledge that extend beyond the confines of textbooks. Armed with this

knowledge, participants were empowered to apply what they have learned and contribute towards creating a safer, more inclusive, and equitable world for themselves and for all. The program served as a catalyst for positive change, inspiring individuals to advocate for gender equality, child protection, disaster resilience, and access to justice in their community.

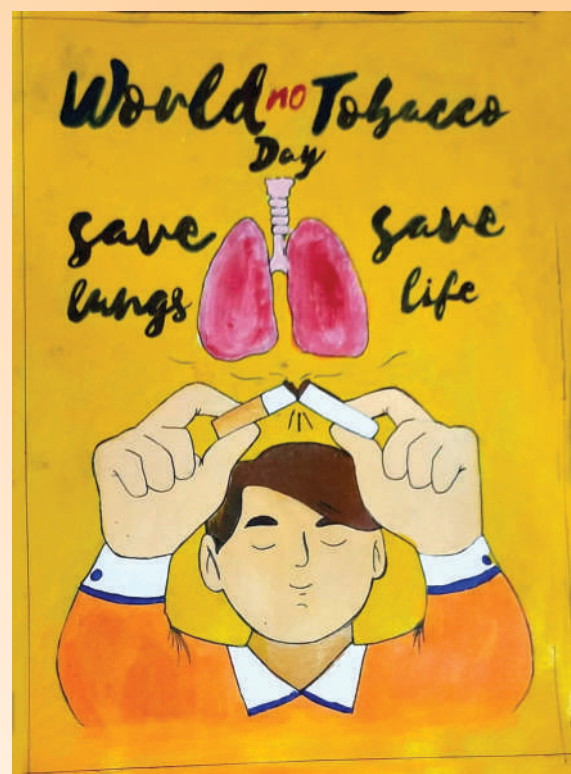

POSTER MAKING

World No Tobacco Day

As school commemorate another World No Tobacco Day, the persistent threat posed by tobacco remains as lethal as ever, underscoring the critical importance of advancing awareness and caution regarding its usage. Recognizing the urgency of this issue, the Legal Literacy Club took proactive steps to engage students from Classes VI-VIII in a creative endeavour aimed at raising awareness about Anti-Tobacco Laws and promoting a tobacco-free lifestyle.

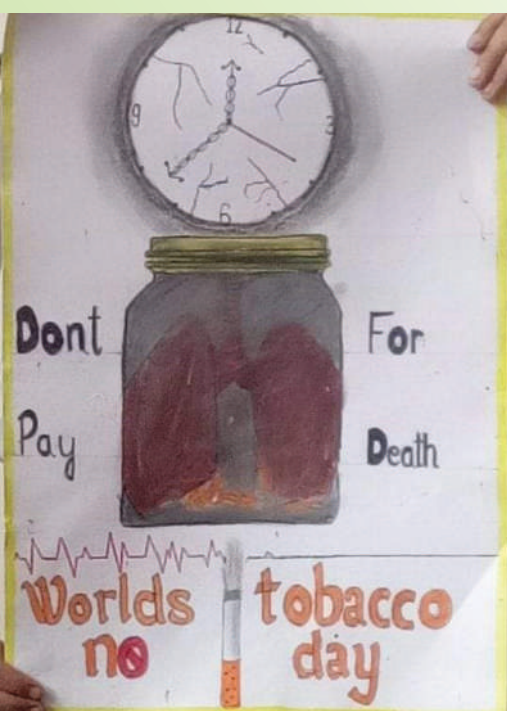

Under the given initiative students were tasked with designing compelling posters centred around the theme of "Embracing a Tobacco-Free Life." Through this initiative, young minds were encouraged to delve into the multifaceted aspects of tobacco use, including its detrimental health effects, societal impact, and the legal framework surrounding tobacco control.

The poster design activity served as a dynamic platform for students to express their perspectives on the importance of tobacco prevention and cessation efforts. Through their artistic creations, students conveyed powerful messages advocating for the adoption of healthy lifestyle choices and the avoidance of tobacco products.

Furthermore, the initiative provided an educational opportunity for students to deepen their understanding of anti-tobacco laws and regulations. By researching and conceptualizing their posters, students gained insights into the legal measures in place to curb tobacco consumption and protect public health.

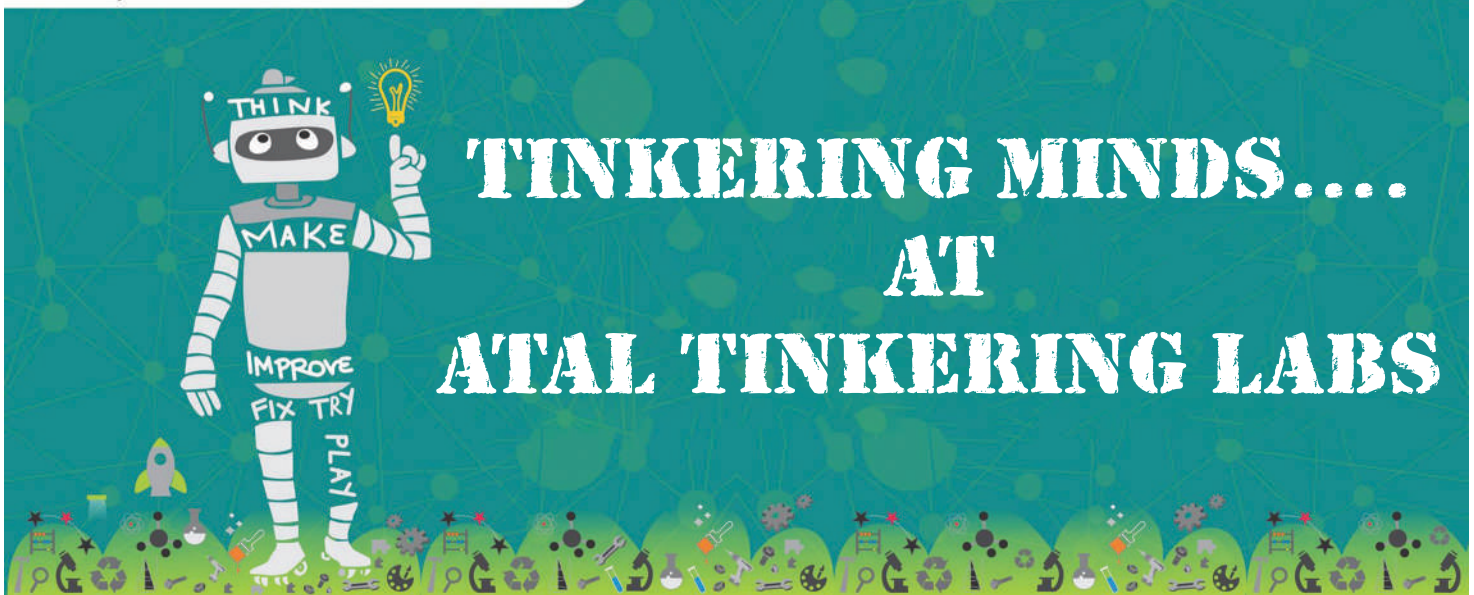

The visually compelling posters served as powerful tools for disseminating key messages about the hazards of tobacco use and the importance of embracing a tobacco-free lifestyle.

ATAL
TINKERING LAB
Make... Just make

Imagine | Design | Make | Play

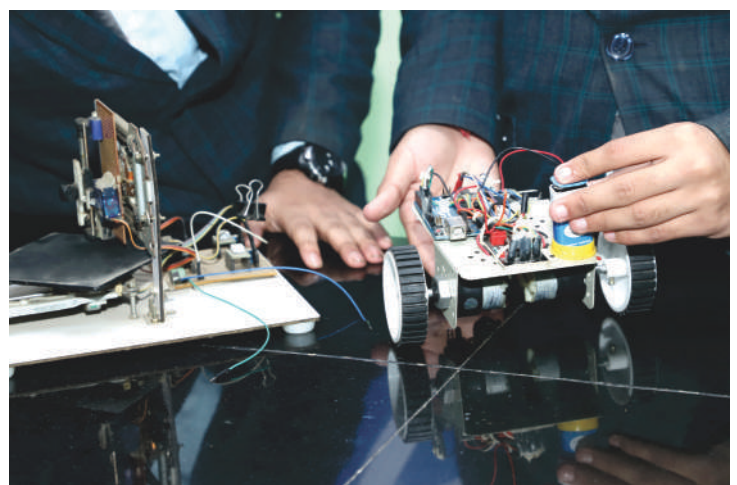

In the rapidly evolving world, fostering innovation and creativity among the youth is crucial for driving progress and solving complex challenges. Atal Tinkering Labs (ATL Labs) stand as beacons of this philosophy, empowering students with the tools and resources to unleash their inventive potential.

Established under the aegis of the Atal Innovation Mission (AIM), ATL Labs have come up as dedicated spaces within schools that serve as hubs for innovation, experimentation, and problem-solving. These labs are equipped with state-of-the-art technologies such as 3D printers, robotics kits, IoT devices, and more, providing students with hands-on learning experiences in STEM (Science, Technology, Engineering, and Mathematics) fields.

With school joining hands with AIM, with one primary objective to foster a culture of curiosity and exploration among students, the students are allowed opportunities to engage in real-world projects and challenges and are encouraged to think critically, collaborate with peers, and develop practical solutions to problems.

Since its inception in our school campus, ATL Lab and ATL sessions have played a pivotal role in bridging the gap between theoretical knowledge and practical application. Through experiential learning initiatives, students at Bal Bhavan Public School have gained invaluable skills such as problem-solving, communication, and project management, which are essential for success in the 21st-century workforce. Under ATL Club, various ventures have been undertaken to ensure the righteous implementation of this initiative.

Launch Of Apna Chandrayaan Portal

Few Students from grade X, XI and XII seized a remarkable opportunity as they were invited to demonstrate their talents at the launch event of the 'Apna Chandrayaan Portal' by Sh. Dharmendra Pradhan, Minister of Education & Skill Development. The event was graced by esteemed dignitaries including Dr. S. Somnath, Chairman of ISRO (Indian Space Research Organisation), Sh. Sanjay Kumar, Secretary of the Ministry of Education, and Prof. (Dr) TG Sitaram, Chairman of AICTE. The momentous occasion had been a rare opportunity for our students as during the event, Divik Goel and Aaryan Utkarsh of grade XII and IX respectively showcased their innovative concept titled 'NEERYAAN' to the dignitaries, while Nikhil Choubey, a student of grade X, delivered a creatively spun poetry inspired by 'Chandrayaan'. The students were filled with a sense of pride and achievements as they had the privilege to present their ideas on such a prestigious platform. We extend our heartfelt congratulations to them for their remarkable efforts!

The participation of the students from the school not only highlighted their creativity and ingenuity but also underscored the school's commitment to nurturing talent and encouraging innovation among its students. Such experiences not only broaden their horizons but also instil a sense of confidence and pride in their abilities.

ATL Community Day with... GRACE CARE ACADEMY

A selected group of students from grades VII to IX enthusiastically spearheaded an educational initiative aimed to educate the students of Grace Care Academy during the ATL Community Day celebration. This initiative was organized to honor the birth anniversary of Dr. B.R. Ambedkar. The students ingeniously crafted a

series of STEM-based activities designed to

engage and enlighten their peers at Grace Care Academy. These activities were meticulously curated to foster a deeper understanding and appreciation for science, technology, engineering, and mathematics.

Furthermore, the event was not solely focused on academic

pursuits; the students also incorporated fun icebreaker games to create a lively and inclusive atmosphere. These games served as a catalyst for fostering new friendships and building a sense of amity among the participants. Through this multifaceted approach, the student organizers aimed to impart knowledge while also promoting social interaction and teamwork.

Overall, this initiative

showcased the proactive spirit and dedication of the young students involved, highlighting their commitment to both academic excellence and community engagement. By channelling their passion for STEM education into a meaningful event, they not only honoured the legacy of Dr. B.R. Ambedkar but also contributed to the holistic development of their peers at Grace Care Academy.

World Clock Assembly

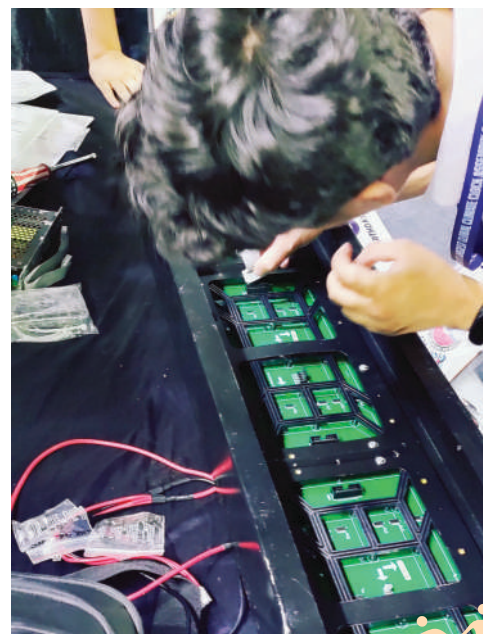

A few students from grades XI and XII, along with school's PGT Chemistry, Mr. Rahul Vadehra, received an opportunity to participate in the World Earth Day celebrations at Indira Gandhi Stadium, Delhi. The event featured the World's Largest Clock Assembly and display, organized to educate the younger generation about the current state of the planet and its future prospects. This initiative was led by ENERGY SWARAJ in collaboration with ATAL INNOVATION MISSION and NITI AYOOG, serving as a poignant reminder of the urgent need to address climate change.

The climate clock-making activity proved to be enlightening and motivational. Thousands of students and their mentors from Delhi and NCR attended the event, where they were instructed on creating their own climate clock—a symbol of Earth's potential decline. This clock functioned as a countdown, indicating the critical point after which halting global warming and preventing irreversible harm to the planet would become exceedingly difficult. Working together, the students successfully designed and programmed the model clock, accurately displaying the time remaining for action against global warming and climate change.

Distinguished dignitaries from the scientific community attended the event, emphasizing the importance of addressing Earth's deteriorating health and the necessity of action. Students were inspired to take on the responsibility of reversing climate change and improving the planet's condition for the future.

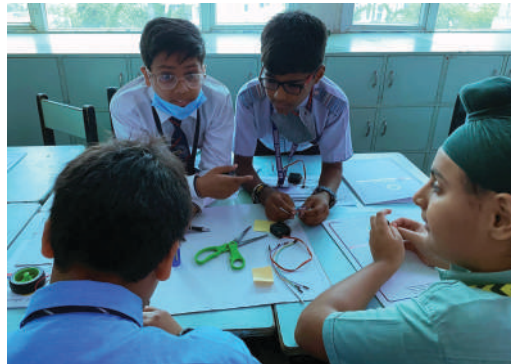

ATL Community Showcase Day

AT SNEH INTERNATIONAL SCHOOL

"Creativity is thinking up new things. Innovation is doing new things." Grade 7 Bal Bhavanites participated in ATL Community showcase day celebration organised at SNEH International School.

Various models made by students were displayed. The working models showed the extravaganza of creativity and innovation at its best. It was a fun filled learning day for the children.

Understanding Tinker-cad and basic circuits... with Ms. Shyna Gupta (Enpower)

The students of grade VI and VII enjoying working on tinker-cad and were curious to understand the basics of circuit components under the guidance of Ms. Shyna Gupta from ENPower.

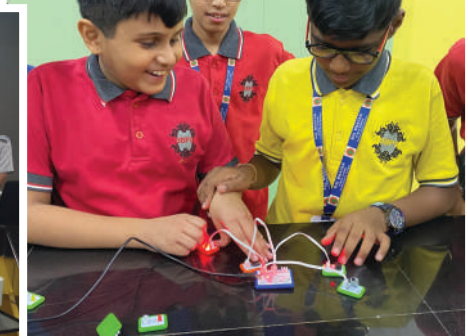

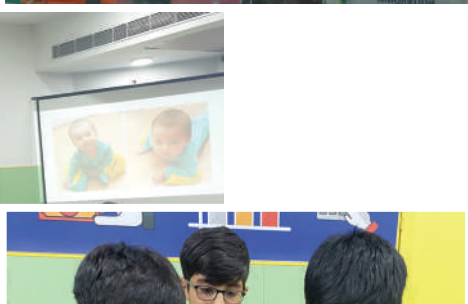

Scheduled ATL Sessions

The ATL (Atal Tinkering Lab) club at our school is actively involved in arranging regular sessions for students spanning across all grade levels. These sessions serve as platforms for students to hone a diverse array of skills, ranging from basic circuit assembly on breadboards to crafting various productive and innovative circuits.

Notably, the younger members of our primary wing find immense delight and engagement in exploring STEM (Science, Technology, Engineering, and Mathematics) kits such as Mechatron kits, Tinker Orbits, 3D pens, and Block Building sets. These hands-on activities not only captivate their imagination but also instil a passion for learning and experimentation from a young age.

The ATL sessions are characterized by their interactive and dynamic nature, offering students enjoyable and enriching experiences. Participants delve into platforms like TINKER CAD, where they explore the realms of digital design and prototyping. Furthermore, they undergo online assessments and engage with various learning modules, ensuring a comprehensive understanding of the concepts explored during the sessions.

In essence, the ATL sessions serve as vibrant hubs of learning and creativity, fostering a culture of innovation and exploration among students. Through these activities, students not only acquire technical skills but also develop critical thinking, problem-solving, and collaboration abilities, laying a strong foundation for their future endeavours in the realm of STEM education and beyond.

Design Thinking Workshop - With Enpower

Design thinking, a methodology renowned for its problem-solving prowess, serves as a beacon of innovation in the contemporary landscape. As it encapsulates a holistic approach, emphasizing empathy, ideation, prototyping, and testing, to devise innovative solutions tailored to address real-world challenges, the integration of design thinking principles in the education landscape became paramount in nurturing the next generation of innovators and problem solvers.

The ATL (Atal Tinkering Labs) session on Design Thinking, spearheaded by the esteemed Empower Thinking Coach, Ms. Kamakshi, presented an unparalleled opportunity for students to delve into the realm of creative problem-solving and innovation. Facilitated under the auspices of the ATL enhancement Programme, a visionary initiative championed by AIM (Atal Innovation Mission) and Niti Ayog, the session aimed to empower students with the essential tools and mindset necessary for professional growth and success in today's dynamic world.

Through interactions and discussions upon the learning experiences, students were equipped with the foundational principles of design thinking. They were encouraged to adopt a human-centric approach, fostering empathy towards end-users to gain profound insights into their needs and aspirations.

The ATL session on Design Thinking by Empower Thinking Coach Ms. Kamakshi stood as a testament to the transformative power of innovative pedagogies in shaping the future leaders and innovators of tomorrow. Through collaborative efforts and visionary initiatives like the ATL enhancement Programme, AIM, and Niti Ayog, students were empowered to harness their creativity, critical thinking, and innovation to catalyze positive change and drive sustainable progress in society.

ATL Marathon 2022-23

Two teams of our school were shortlisted amongst the TOP 400 teams in ATL Marathon 2022-23. We are glad that our students are bringing fame to the school's name across all platforms.

S.No	Participant	Grade	Project
1	Aarush Kumar	X	Virtual Painter
2	Aarush Mishra	X	Mangal Yatra Smart Cycling Accessories

We Shined At... Youth Ideathon 2023

Youth Ideathon 2023, once again brought glories to our name, with our student shining amongst the top ideas. Youth Ideathon, a platform of ideas organised by IIT Delhi.

YOUTH IDEATHON, which India's most exciting innovation and entrepreneurship competition for school students. The competition engages youth to help them discover and develop their entrepreneurial skills.

The competition aims to encourage the spirit of innovation and harness the enormous potential of school children to think big and dream of futuristic ideas. Students are guided to identify societal problems and propose solutions under the theme MERA IDEA JO BADAL DE BHARAT.

This year about 139 teams from our school registered their ideas in the competition, out of which 7 of our teams were amongst TOP 1000 ideas and one of our Teams 'MYOBIONICS' headed by Nikhil Choubey and Piyush Parida of class X was amongst the top 2 ideas. The team received an Incubation Grant of 1,00,000 from IIT Delhi. The students were rewarded with Gold Medals. Their mentor teacher, Ms. Hayat Fatima, TGT Science, received an award of 'Mentor of Innovation'.

In the same event this year, two of our school students, Khushi Jha of class XII and Aarush Mishra of class X were amongst the organising committee. They were rewarded with their certificate of appreciation. One of the school science mentors Ms. Neha Gupta was amongst the Evaluation committee.

The school was honoured with the title of 'School of Innovation' and the school Principal, Mr. Vividh Gupta was rewarded with an honour of 'Principal of Innovation' undergoing a rigorous procedure of nominations and interviews.

S.No.	Participant	Title/ Reward
1	Bal Bhavan Public School, Mayur Vihar-II, Delhi	School Of Innovation
2	Mr. Vividh Gupta (Principal)	Principal Of Innovation
3	Nikhil Choubey (X) Piyush Parida (X)	Project Myobionics – Top 10 Ideas, 1,00,000 Incubation Grant
4	Ms. Hayat Fatima (TGT Science)	Mentor Of Innovation
5	Ms. Neha Gupta (TGT Science)	Evaluation Committee (certificate Of Appreciation)
6	Aarush Mishra (X) Khushi Jha (XII)	Organising Committee (certificate Of Appreciation)

Exploring Space and its wonders

...Perceiving night sky

The night sky has always captivated us with its mysteries, drawing our attention to the countless stars and distant galaxies that sparkle above. This sense of wonder inspired a unique astronomy workshop held at the school in December 2023. Designed to spark curiosity and a love for space, the workshop allowed students of all ages to explore the night sky in depth. They used telescopes to view celestial objects like the Moon with its craters and mountains, Saturn with its iconic rings, Jupiter and its moons, and even several constellations.

The event was not just about observing through telescopes; it was a comprehensive experience that included hands-on activities and interactive discussions about space and astronomy. The students, guided by knowledgeable instructors, were able to ask questions, engage in experiments, and expand their understanding of the cosmos. The excitement in the air was palpable as they learned about the science behind what they were seeing and developed a deeper appreciation for the universe.

For many students, this workshop was a pivotal moment that could inspire a lifelong passion for astronomy and space exploration. It was a memorable evening filled with excitement and discovery, leaving a lasting impression on everyone who participated.

Career Fest-2023

Exploring career vistas...

When students enter their final years of secondary school, they often start worrying about what comes next—what career paths are open to them, which universities offer the best programs, and how to navigate the complex world of higher education. To help both students and their parents better understand these critical decisions, the school organized a comprehensive career fair in December. This event brought together professionals and experts from various prestigious universities across the country, creating a space where families could learn about the wide range of educational opportunities available.

This career fest was set up in partnership with Quantica and targeted students from grades 10 to 12. It featured representatives from 15 respected colleges and universities across the nation. Prominent institutions like Sharda University, PEARL ACADEMY, Asian School of Business, UPES, AB Educational Avenues, Chandigarh University, Ashoka University, O.P. Jindal Global University, University of Nebraska at Kearney, Rathore University-BRDS, Shiv Nadar University, and Rishihood University were among those with booths at the event, showcasing a variety of educational pathways and career options.

The fest's Orientation Ceremony was headlined by Mr. Dheeraj Gupta, the public face of Quantica, who shared invaluable career advice with attendees. He outlined the numerous career opportunities that await students after graduation. Adding to the event's educational value, Vidya Mandir Classes hosted an exclusive aptitude test for grade 10 students. This test was designed to help students identify their strengths and interests, guiding them toward appropriate academic and career choices.

Overall, the career fest served as a crucial link between students and university representatives, allowing for direct interaction and discussions about courses, admission processes, and career paths. It was a unique opportunity for students to gain insights into their future educational journey while also allowing parents to ask questions and gather information to support their children in making informed decisions.

Skills on Wheels

Training basic necessary skills...

In October, the school organized a training workshop in association with 'Lend-a-Hand India' as part of its skill enhancement program, targeting students in grades IX and X. The workshop aimed to introduce students to a variety of practical skills and everyday tools, providing them with valuable hands-on experience.

During this engaging session, students had the opportunity to work with a range of common tools and equipment typically used in daily life. They learned how to operate a blood pressure machine,

which gave them insights into basic healthcare monitoring. They also got to use tools like drills, screwdrivers, chisels, and hammers, allowing them to understand fundamental mechanics and basic carpentry skills. The key areas covered in this skill training were agriculture, Electro-Mechanical, Health Care, Food Processing, Grinding, construction, engineering drawing, plumbing etc.

The workshop was designed to be interactive and practical, encouraging students to actively participate and learn by doing. As they practiced with these tools, they gained confidence in their abilities and developed a better understanding of the basic skills needed for various tasks in our day-to-day life. This hands-on approach helped to make the learning process more engaging and memorable, equipping students with useful knowledge for everyday life and potentially sparking interest in technical fields or DIY projects.

Creating Masterpieces...

From their tiny little hands

As children progress through the early grades of the primary wing, their curiosity and eagerness to learn expands, driving them to grasp deeper concepts and integrate their newfound knowledge into their behaviours. This pivotal stage in their educational journey is marked by an array of initiatives aimed at nurturing their inquisitive minds and fostering holistic development.

In its core essence, the early grades of the primary wing serve as a foundation for lifelong learning, curiosity, and creativity. By embracing initiatives that foster holistic development and collaborative learning, educators empower young minds to explore, discover, and innovate, laying the groundwork for future academic success and personal growth. Through their collective efforts and artistic expressions, students from Nursery to Grade II exemplify the boundless potential and inherent curiosity that define childhood and pave the way for a brighter future. Let's delve into a few of these initiatives and explore the remarkable collaborative efforts of students through the creation of art pieces spanning from Nursery to Grade II.

NURSERY

The little new learners of grade Nursery embarked on an exciting journey of exploration, diving into the topics that fill their day-to-day experiences. With curiosity and boundless creativity, they engaged in a variety of art techniques to express their newfound knowledge. Through collage work, thumb imprints, and other innovative methods, they transformed their ideas into beautiful art pieces that transcended mere aesthetic appeal.

Each art piece is a canvas of their imagination which flourish as they dived into themes that resonated with their young minds. With vibrant colours and playful textures, they infused their creations with a sense of joy and wonder.

Beyond the surface beauty, the artwork carries deeper messages and themes. Through their tiny fingerprints and carefully crafted compositions, they communicated ideas of kindness, empathy, and environmental stewardship. These young artists discovered the power of art as a tool for self-expression and storytelling, using their creations to convey messages that echoed far beyond the walls of their classroom.

As they proudly showcased their masterpieces to parents and teachers alike, the little learners not only celebrated their artistic achievements but also shared the insights they had gained through their explorations. The artwork serves as a window of their ever-evolving understanding of the world, offering glimpses of the profound wisdom hidden within their innocent hearts.

Nursery A

'Road Safety'...acquainting little young minds about the traffic light and its significance on roads.

Nursery B

'Khelo India' ... promoting sports and healthy lifestyle.

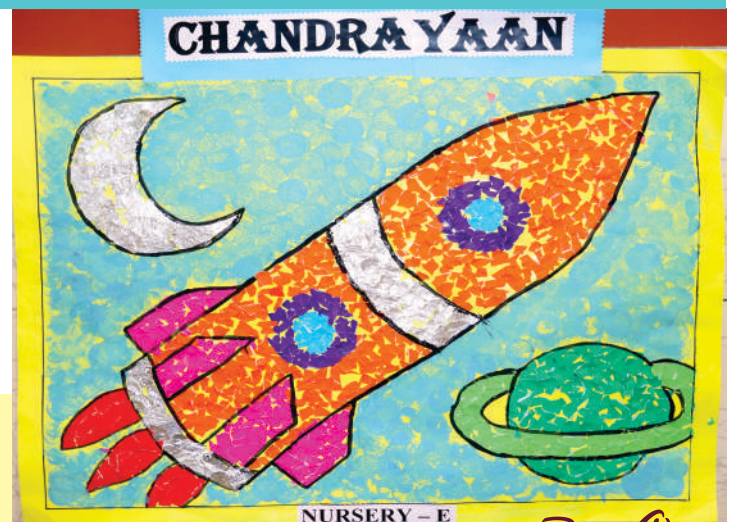

Nursery C

'Save Trees'...
a step towards
safeguarding
environment
for future.

Nursery D

'National Bird'... a step towards wildlife conservation and safeguarding National Bird.

Nursery E

'Chandrayaan'... celebrating India's success
of stepping on the moon.

Nursery F
'Life below Water'... a concern under SDG- 14

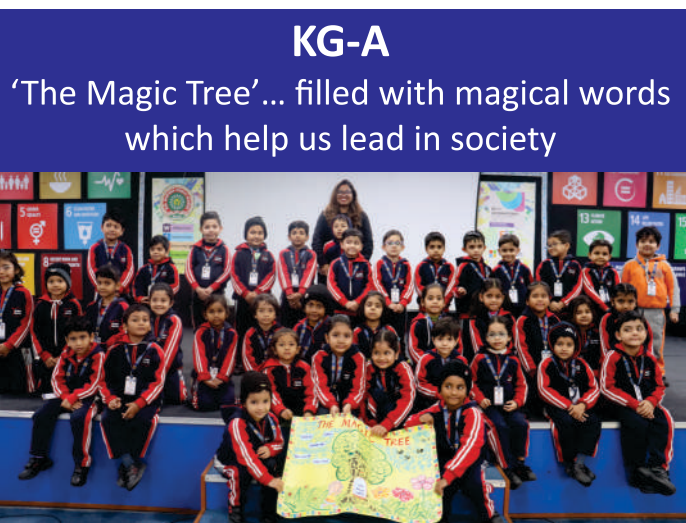

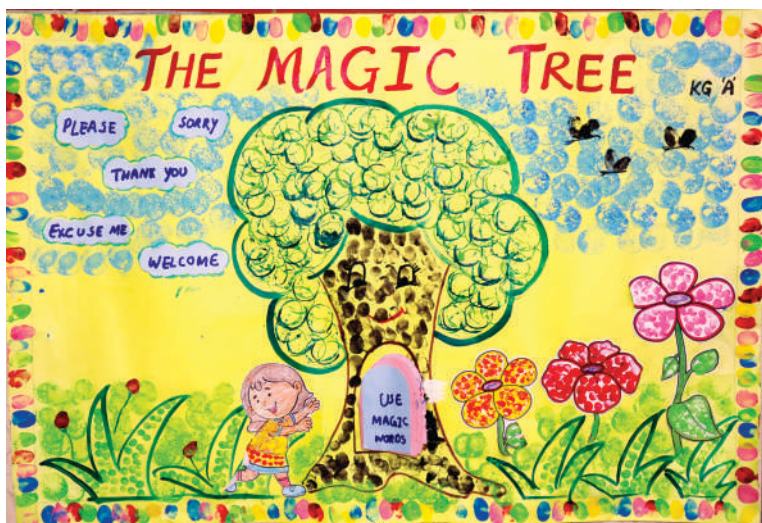

GRADE KG

The students of grade KG explored the enchanting journey into the world of stories, where imagination knows no bounds and every page holds a new adventure. With eager hearts and minds, they delved into the magical realms of fairy tales, folk legends, and classic fables into order to unravel the mysteries and lessons hidden within.

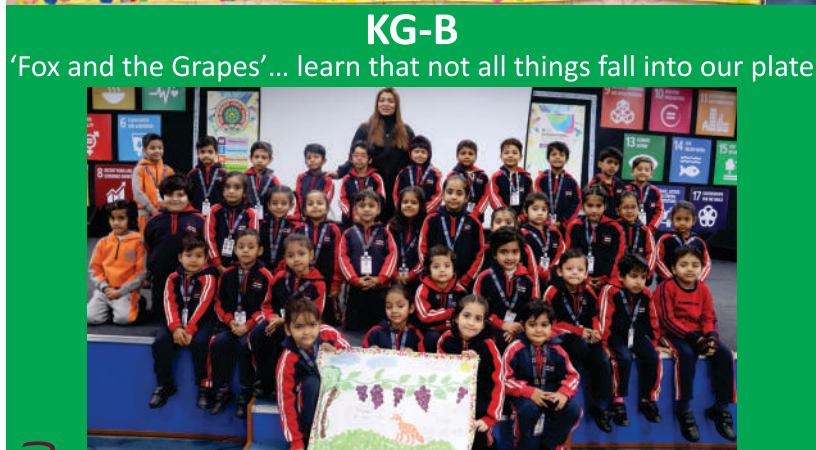

With crayons, paintbrushes, and a variety of colours, they set out to bring these tales to life through art, where each artwork became a portal into the fantastical worlds they had explored through the pages of their storybooks.

As they meticulously crafted each image, the students absorbed the virtues and moral lessons woven into the fabric of these timeless tales, which made them learn about the importance of bravery, kindness, honesty, and empathy.

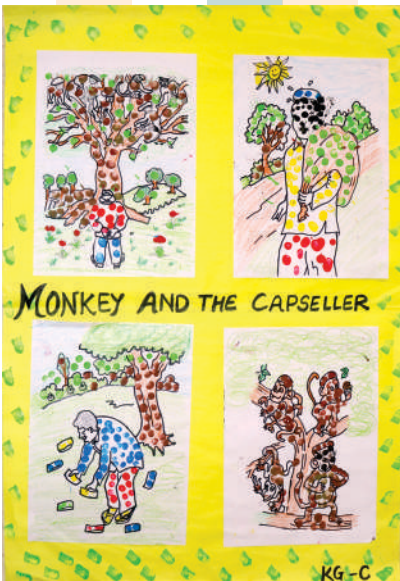

The artistic interpretations not only captured the essence of the stories but also reflected on the values and morals that underpinned them.

KG-A
'The Magic Tree'... filled with magical words which help us lead in society

KG-B
'Fox and the Grapes'... learn that not all things fall into our plate

KG-C

'Monkey and the
Cap seller'...
Wisdom helps in
difficult situations

KG-D

'The Talking Cave'... presence of mind helps
you deal with problems

KG-E

'The Ant and the Grasshopper'...
work hard today to be ready for tomorrow

KG-F

'The Hungry
Caterpillar'
we need to
have self-control

The young learners of Grade I delved into innumerable thought-provoking themes embedded within their curriculum. These themes weren't merely lessons; they were gateways to understanding the world around them on a deeper level. From Sustainable Development Goals (SDGs) to the practicalities of road safety, from the intricate wonders of plant life to the familiar rhythms of day-to-day concepts, and from exploring the rich tapestry of their country to contemplating the delicate balance of the environment, the topics ignited their curiosity and stirred their imaginations.

Through their artwork, the young learners aimed to do more than simply showcase their artistic talents; they endeavoured to spark a sense of empathy and awareness to society. A detailed study of plant life or a heartfelt tribute to their motherland and its diverse landscapes, the creations served as powerful reminders of the interconnectedness of all living beings and the shared responsibility to care for our planet and one another.

The artistic expressions not only adorned the walls of their classrooms but also served as beacons of hope and inspiration for all who beheld them, reminding us that even the smallest voices can make a big impact when fuelled by passion and creativity.

I-A

'Healthy Platter'... Promoting the theme of SDG, Goal-II 'Zero Hunger'

I-B

'Means of Transport'... exploring different means of transport and their implications on environment.

I-C

‘Understanding Plants’... knowing more about plants and their parts and different uses.

I-D

‘Fun with Shapes’... developing understanding of early concepts of mathematical learnings.

I-E

‘Ek Bharat Shrestha Bharat’... promoting Unity in Diversity and understanding National Symbols.

I-F

‘Endangered Species’...preserving and conserving animal lives.

Young prodigies in Grade II took the initiative of sensitizing and educating society through their inspiring artwork. Each class focused on promoting a theme of social awareness, addressing a variety of crucial concepts that demand attention. Their expressive artworks aimed to raise awareness about several important issues, including the importance of cleanliness, the growing problem of cell phone addiction among children, and the different seasons along with the necessary precautions to take during each. Additionally, they highlighted the significance of inclusivity, the United Nations' Sustainable Development Goals (SDGs), and celebrated India's achievements with the Chandrayaan mission. Through their creative endeavors, these young students sought to inform and motivate the community to engage with these vital topics.

II-A

'Swaachh Bharat'

...promoting cleanliness for fitter Bharat

II-B

'Addictions'... an urge to stop addiction to cell phones

II-C

'Season Wheel'

Dive into seasons of our nation

II-D

'Celebrating Uniqueness'
respecting abilities and talents

II-E

'Save Turtles'... an aim to protect under water life
and safeguarding ecology

II-F

'Exploring the journey of Chandrayaan'

श्री लाल बहादुर शास्त्री जी

एक महापुरुष अवतरित हुआ, भारत का ऊँचा भाल किया।
2 अक्टूबर को जन्म लिया, उस पल को स्वर्णिम बना दिया।

भारत माँ का राजदलारा, यह लाल बहादुर कहलाया।
जिसकी खुशबू ऐसी महकी, जन-जन को दिल जीत लिया।

अपनी सच्ची भक्ति से, सतपथ पर चलना सिखलाया।
सादा जीवन उच्च विचार, इन आदर्शों का अनुसरण किया।

कष्टों से जो डरा नहीं, फूलों से भी ना प्यार किया।
जिसने बहुत गरीबी देखी, अमीरी पद तक पहुँच गया।

लेकिन सादा जीवन जीकर, राजधर्म निर्वहन किया।
जनता का सच्चा सेवक बनकर, राजभर को यहण किया।

जय जवान-जय किसान का नारा देकर, नई ऊर्जा का संचार किया।

जब-जब संकट आया भारत पर, स्वाभिमान से वार किया।
एक बार भुखमरी आई भारत पर, व्रतधारी बनना सिखा दिया।

हँसते-हँसते जनता ने उनके आदर्शों का सम्मान किया।
भारत-पाक युद्ध में जिसने, दुनिया का भ्रम तोड़ दिया।

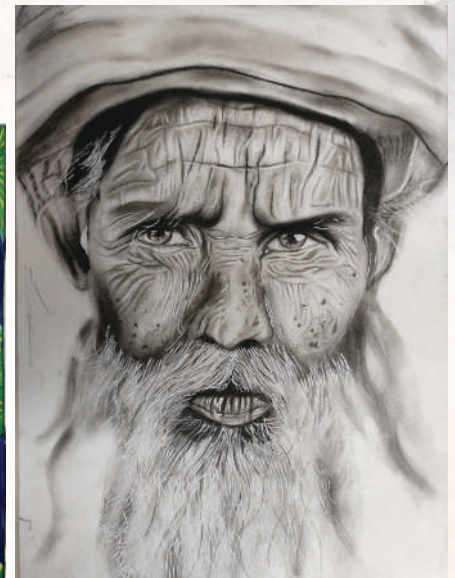

जनरल को सौंपी थी कमान, 24 घंटे का भार दिया।
शान में आँच न आने दी, भारत का ऊँचा नाम किया।

विजयश्री पाकर भी हमने, अपना लाल गंवा दिया।
हम कब तक दोष दें विधि को, जब खुद कुर्सी भक्तों को जन्म दिया।

ईमानदारी का यह ज्योतिपुनज, हम सब के दिलों में वास करे।
भारत माँ का यह रत्न निराला, अमर रहे सदा अमर रहे।

Words of Bhavnites...

एक कदम शिक्षा की ओर

बुझे हुए जीवन में, शिक्षा का दीया जला दे,
हर असंभव को संभव बना दे,
हथियार उठा शिक्षा का, अशिक्षित को शिक्षित बना दे
कदम बढ़ा शिक्षा की ओर, अंधकार को मिटा दे।

शिक्षा जो कठिन को सरल बनाए,
सच और झूठ में अंतर वो बताए।
जीवन जीने का मार्ग दिखाए,
अंधकार दूर कर प्रकाश फैलाए।

अब होगी शिक्षित हर नर-नारी,
सफलता समृद्धि होंगे उनके पुजारी।
आओ मिलकर शिक्षा का अभियान चलाए,
घर-घर में शिक्षा का प्रकाश फैलाए।

-निहारीका राजपूत, तीसरी- ई

इनसे सीखो

श्री.जी.सी. लगन सर का यह प्यारा स्कूल,
है यह मेरा न्यारा स्कूल।
नहीं मैं सकती इसको भूल,
इसलिए मैं जाती हूँ रोज़ स्कूल।
ज्ञान का भंडार जहाँ हो,
उससे बेहतर जगह कहाँ हो।
श्री.जी.सी. लगन सर का यह प्यारा स्कूल,
है यह मेरा न्यारा स्कूल।
मैं भी उनकी तरह बनना चाहूँ,
मैं भी पढ़ना और लिखना चाहूँ।
मैं भी एक बड़ा अफसर बनना चाहूँ,
दूसरा श्री.जी.सी. लगन सर के जैसा बनना चाहूँ।
श्री.जी.सी. लगन सर का यह प्यारा स्कूल,
है यह मेरा न्यारा स्कूल।

रिधिमा सिंह, चौथी 'ब'

KHEL- O - MANIA

To game is to live,
Khel O Mania was it.
Sports day was the dearest,
We all tried to be the fastest.
It makes us stronger,
And build our muscles.
It doesn't matter if you fall,
Just get up, pace up, and give your all.
Teamwork is the main thing,
Winning and losing is part of it.
You are strong and capable,
Stay positive and be amicable.
Everyone is brave,
Khel O Mania was great.

- Sahil Sahu, IV-C

मेहनत का फल

भूख को हम मिटाएँ, साथ मिलकर काम करते जाएँ।
सुपोषित भोजन सबको मिले और, हर बच्चा बड़ा हो जाए ॥
खेतों में खेती करें हम, ताज़ी फल-सब्जियाँ बोएँ।
आपसी सहायता से हम, हर घर तक भोजन पहुँचाएँ ॥
एक संगठन हो हमारा, हम सब एक टीम बन जाएँ।
सुरक्षित रहे हर एक किसान, आओ उनकी मेहनत को सराहें ॥
सब साथ मिलकर बच्चों को, मेहनत का सही अर्थ बताएँ।
ज्ञान के खजाने को बढ़ाकर, उनके भविष्य को उज्ज्वल बनाएँ ॥

ज्ञान्या, चौथी 'ब'

खेल का महत्व

मेरे स्कूल का खेल का मैदान,
है बहुत ही बड़ा बहुत ही सुंदर ।
खेल हमें रखना है स्वस्थ,
खेलकर ही हो जाते हम सब मस्त ।
श्री.जी.सी. लगन क्रीडा स्थल में हमने सीखा,
अनेकों खेल जैसे बास्केटबॉल, योगा का मेल ।
खेल गुरु का हम करते हैं आदर,
वो करते हैं हमें मज़बूत अंदर ही अंदर ।
जो खेल से डरता है,
उसे ना मिले कुछ भी प्रगति ।
जो खेल में बढ़ता है आगे,
उन्हें मिले उन्नति ही उन्नति ।
मेरे स्कूल के खेल का मैदान,
है बहुत ही बड़ाबहुत ही सुंदर।
खेल हमें रखना है स्वस्थ,
खेलकर ही हो जाते हम सब मस्त ।

निष्का अग्रवाल, चौथी 'ब'

Wings from BBPS

Well said someone in the past
With positive attitude no problem is vast
And the same thought is given by our teacher
They made us the kings of our future

Hands on activities is fun for us
Subjects are just a run for us
We achieve medals and numbers
And solve a lot of riddles
CCA (co-curricular activities),
Science fair and Sports day
Made me yearn for longer stay
Circle time is there to test our skills
These give us a lot of thrills

I thank to my teachers and my school
For carving my inner jewel
They gave us wings and feathers
So that we can fly together

- Aarush Sharma, V C

महानता से पहले अच्छाई

नाम हमारे विद्यालय का है बाल भवन,
हम यहाँ के विद्यार्थी हैं सब से मगन ।
यदि बनना है महान,तो अच्छाई को अपनाना होगा,
महानता के इस मार्ग पर, हमें चलते जाना होगा ।
देना है सभी कोमान और सम्मान,
करना है रोशन अपने विद्यालय का नाम ।
हमने अपने विद्यालय में, करुणा का सागर देखा,
करुणा का हाथ बढ़ाकर दूसरों को, हमने सँभालना सीखा।
हमेंयहाँ पर करुणा का पाठ है मिला,
जिससे माता-पिता को है सम्मान मिला ।
महानता से पहले अच्छाई को अपनाना सीखा,
सहायता के लिए अपना हाथ बढ़ाना सीखा ।
नाम हमारे विद्यालय का है बाल भवन,
हम यहाँ के विद्यार्थी हैंसबसे मगन ।

तनीषा बिष्ट, चौथी 'ई'

KINDNESS

When people see an injured creature,
Everyone passes by
Only some people have the features,
To help it survive.

Imagine your daughter,
Can stop someone's slaughters.
The ones who are kind,
Can stretch their chest wide.

Kind hearts are the gardens,
Kind words are the roots.
Kind thoughts are the flowers,
Kind deeds are the fruits.

Take care of your garden,
And keep out of the weeds.
Fill it with sunshine,
Kind words and kind deeds.

The poor, they fight for every bite,
In the dark and lonely night.
A single meal can stop millions of tears,
With our actions done right.

-Pragalbha Pandey, V-E

Senior Year

No one told me how fast four years can pass by.

We walked down these halls,

That at the time looked so mundane.

They seemed to keep us in.

As we begged to be let free.

We walked to classes

not realizing how fast we've grown.

And how much fast we will want to comeback.

I cherish all the memories.

The struggles we've been through.

The laughter we've shared.

The awkward moments

And quiet stares

Now all that's left is two more years.

How do you fit a life time of memories in 730 days?

What if I want more and I'm not ready to let go?

Of the friends I have made along the way

I prayed this day would come.

But I didn't realize the price it promised.

Now I wish to hold on tight.

And to never say goodbye

So, here's to two more years.

With my friends

And those who walked these halls with me.

These last four years

– Anika (IX-A)

Vision Of My School

In the realm of school, where goodness prevails,

A journey of growth, where each heart sails.

Before greatness, a foundation is laid,

In the values of my school, where characters are made.

Kindness and friendship, like seeds in the ground,

Roots of respect in every heart are found.

Lessons in empathy, compassion, and grace,

In the vision of my school, a welcoming space.

Teachers as guides, nurturing each mind,

Instilling wisdom, values that bind.

Before the heights of success are unfurled,

It's the goodness of school that shapes our world.

Honesty and integrity, virtues embraced,

In the corridors of learning, they're interlaced.

Before the summit, the mountains to climb,

School's values echo through the passage of time.

The impact profound, like ripples in a stream,

A vision of goodness, a recurring dream.

Before greatness, a journey's start,

In the school's embrace, kindness imparts.

It's our Principal Sir's vision that shape's the school's aim

He inspires greatness and kindles each flame

The school's vision is because of him, our source of pride

So, here's our gratitude sincere and wide

– Kanishka IX-B

The untraveled roads of my LAND

In India's tapestry, diverse and wide,
Untraveled roads, where cultures abide.
From Himalayan peaks to coastal shores,
A mosaic of tales, history restores.

Rajasthan's deserts, a golden expanse,
Camel caravans in a rhythmic dance.
Through palaces and forts, stories unfold,
On untraveled roads, legacies untold.

In Kerala's backwaters, where tranquility reigns,
Palm trees whisper ancient refrains.
Silken waters weave through emerald abodes,
On untraveled roads, nature unfolds.

Amidst Darjeeling's misty embrace,
Tea gardens bloom with delicate grace.
Mountains stand as timeless abodes,
On untraveled roads, beauty forebodes.

Varanasi's Ghats, where Ganges flows,
A sacred dance as devotion bestows.
Cultures entwine in vibrant codes,
On untraveled roads, spirituality bodes.

From Kashmir's valleys to Kanyakumari's tip,
India's untraveled roads, a cultural trip.
A journey through hues, traditions, and codes,
On these roads, India's story unfolds

– PRIYANCY UPRETI (IX-B)

Virtues Laid By My School

'Goodness before greatness' is a reminder that our character and values should always take precedence over our achievements and success. It emphasizes the importance of leading a life filled with compassion, integrity and empathy. True greatness is not measured solely by what we accomplish or the recognition we receive, but by the positive impact and difference we make in the lives of others.

When we prioritize goodness, we prioritize treating others with kindness, respect, and fairness. It means choosing honesty and ethical behavior over personal gains. Goodness also involves being there for others in times of need, lending a helping hand, and showing compassion towards those who may be less fortunate. By focusing on goodness, we create a better world and foster a sense of unity and harmony among individuals and communities.

While greatness often implies achieving success, attaining fame, or standing out from the crowd, it is important to remember that true greatness lies in using our talents and abilities for the betterment of others. It is about making a positive difference in the world and leaving a lasting legacy that goes beyond individual accomplishments. Greatness without goodness is hollow and lacks meaning, as it fails to contribute to the well-being and happiness of others.

In a society that often glorifies achievements and material success, it is crucial to place goodness at the forefront. By embodying goodness before greatness, we can inspire and motivate others to follow a similar path. We can create a culture where kindness, empathy, and integrity are valued and celebrated. By prioritizing goodness, we not only enhance our own well-being but also create a ripple effect that spreads positivity and compassion to those around us.

In conclusion, goodness before greatness reminds us that our character and values should always guide our actions and decisions. It emphasizes the importance of prioritizing kindness, integrity, and empathy. By embracing goodness, we can achieve true greatness and leave a positive impact on the world. Let us strive to be individuals of goodness and use our talents to make a difference in the lives of others.

–KHWAISH SEHGAL (IX-F)

Dive in memories

Like a kid following a kite
I would fly up in the seamless sky following my dreams.
And like a stone in the ocean
I would dive into the depths of vast ocean offered.

The lamp was enlightened
And so, the curtains screeched.
I stepped in for my first performance
The audience cheered loudly,
But I couldn't unsee my teacher's proud smile.
I wonder as I fall in the pool of memories again

Weren't we kids few mins ago
Still those kids, fighting odds
Losing our way in the night
In the darkness that was shaded into boundaries,
Boundaries
I as a lost child set for myself
Of the darkness that didn't seem to end

For the mystical incidences that fill me with peace
I fail to see where to put my past anymore
Smiling in victory, smiling in loss
Those smiles of enthusiasm
Never in vain
I wonder about the beauty of those proud smiles as I
fall,
As I fall in the pool of memories again

We shared dreams
But also, the warmth so stronger
That held us tight as a family
Holding tight to believe
And never letting them go away

From where does that spark comes from
Maybe it's the way we say its name
Bal Bhavan public school
My heart flips and rejoices in pride
Can't refrain
I yet wonder about the charm of it, as I fall
As I fall in the pool of memories again

I question the audience in front of me today
Can you see the ink spilled on my hands
Can you smell how it embraces my feelings
Can you identify how it colours my thought into words
How each letter seems like a dandelion wishing on
itself
For my heart to forever spark with pride,
And for my school to forever stand so tall.

My journey has been beautiful
With lessons Embedded like street paintings on
Victoria lanes
I wonder how much luck I carry, As I fall
As I fall in the pool of memories of my school.
My bal bhavanite memories again...

-Ashka (XII-A)

The Journey of Dreams

One night sleeping in my bed,
Thousands of notions were revolving around my
head,
My brain was struggling with something extreme,
There I saw my first dream.
I barely slept that night,
The morning promptly seemed so bright,
I was En route to board an unknown flight,
To pull off a proud and ambitious height.
This, is the story of every student,
For some the goals are clear and for some a bit
translucent,
Different students, different dreams,
But it is there in every blood stream.
It is a game of determination,
Which begins with an inspiration.
Some emulate the footsteps of Sir Kalam,
To blaze a trail for science and technology in this
mysterious world,
To decipher the theories that are still jumbled.
Some believe in the ethos of Mahatma Gandhi
and aspire to pursue law,
To succour the country and work on its flaws.
Some adorn their room with Dhoni's poster,
Passion being their navigator,
In a race to become a cricketer.
This series is eternal,
There are many more,
Doctor, Engineer, Teacher, Artist, and ambitions
like being an entrepreneur.
All it would require is GOODWILL, HARDWORK
AND DETERMINATION,
If you will be able to suffice these demands,
Then your dreams will be in your commands.

-Khushboo (XII-E)

क्या यह साल आखिरी है? या यह महीना आखिरी है?

यही सवाल करते-करते आज दिन आखिरी है
एग्जाम्स की टेंशन भरी रात हो
या दोस्तों से ढेर सारी बात हों
सबका फेवरेट स्पोर्ट्स में जाना हो या नोटबुक घर भूल जाने का
बहाना हो
अभी तो छोटे थे हम सब, इतने बड़े हो गए हम कब
अभी ही तो हम सीनियर कहलाए और अभी इतनी जल्दी बाय !!
अंश तुम कर लोगे, यूं ही कह कर आगे बढ़ाया
हमारे साथ मेहनत करके हमें सफलता की ओर चढ़ाया !!
केवल पढ़ाई लिखाई नहीं
"मैं सुंदर हूँ"

जैसे महत्वपूर्ण भावों को हंसते-हंसते सिखाए
जीवन जीने का सही तरीका अपने ही दिखाया
गुरु कहूँ अध्यापक कहूँ कैसे मैं दूँ प्रमाण
कैसे प्रकट करूँ विद्यालय के प्रति सम्मान

रोजाना की तरह हम भी लौटेंगे घर की ओर
मन कहेगा काश मिल जाते चंद लम्हे और
उसे दिन गलतियों पर कोई कुछ कहेगा ही नहीं
यूनिफॉर्म इस तरह उतरेंगे की फिर पहनेंगे ही नहीं
हां अब से सुबह स्कूल आने के लिए डांट नहीं खानी होगी
अबसे थोड़ी बहुत अपनी भी मनमानी होगी
अब तक बस सुनते थे अब सुनने को हमारे पास भी कहानी
होगी

अब बात करते हैं जरा हमारे विद्यालय की स्थापना की
16 अगस्त 1934 को अध्यापक के रूप में जन्मे परमात्मा
" श्री जी.सी. लगन जी"
केवल इस विद्यालय के स्थापक ही नहीं हम सब के प्रथम गुरु
भी थे
एक विद्यालय जिसका निर्माण मेहनत और लगन से हुआ
वहीं जहां हम सब का विकास हुआ
7 अगस्त 1967 में एक अनोखी नेम बनी
यहां पढ़ने आई छोटी और नन्ही कली

मेहनत एक चुनौती है इसे स्वीकार करो
बेहतर हो सकते हैं देखो और सुधार करो
समय ने अपने पंख लगाए और भरी ऊंची उड़ान
डायरेक्टर सर आपको मेरा प्रणाम
यूँही सुधार करते-करते अपने खोज रास्ते हजार
हमें काली से फूल बनाया दिए अनोखे विचार
विविध सर आपके होते कैसे फिक्र

राह दिखाई जैसे कोई मित्र
कदाचित परेशान होने ही नहीं दिया
परेशानी आए उससे पहले ही बलवान बना दिया
नेहा मैं और कविता मैं हमारे खिलने में आपका योगदान भी
पूरा है
आपके बिना हमारा विकास अधूरा है

ये ग्राउंड यह बिल्डिंग और इनमें बसी क्लासेस
इनमें बैठने का मौका न जान फिर कब मिल पाएगा
सचमुच सब बहुत याद आएगा

वो किडजएनिया की मस्ती हो
या स्लैश डे की सर्दी
रॉक्सपोर्ट का एडवेंचर
या रंगमंच की चूसती
कभी फिर ना मिल पाएगा सचमुच सब बहुत याद आयेगा

इंटर हाउस तो याद ही होंगे
हां वही जो अगले साल भी होंगे
बस अगले साल यह चेहरे नहीं दिखेंगे
हम ना सही हमारे जूनियर्स तो रहेंगे
इन मैचेस में एक दूसरे से लड़ना हो
या जोनल में एक दूसरे के लिए
यह मौका भी फिर ना मिल पाएगा हां सब बहुत याद आयेगा

"भाइयों बहनों परीक्षा पर चर्चा देखने तो आओगे
या केजरीवाल जी की तरह आप भी भूल जाओगे"
जी मोदी जी जरूर आयेंगे
अभी तो थोड़ा और सत्याएंगे
आप सबसे पूछता हूँ
भूल जाएंगे क्या?
अरे अगर हम भूल गए तो मोदी जी किस्से कहेंगे
" ये पबजी वाला है क्या "

अब ईश्वर से एक ही है प्रार्थना
आप सब जैसे गुरु ही थे मेरी आराधना

No matter how much I receive success
I will always reside with goodness before
greatness

-Ansh, XII-B

A photograph showing three individuals standing in front of a backdrop for the 'LEADERS III' event. On the left, a woman in a gold sequined dress is handing a plaque to a man in a dark vest and glasses in the center. On the right, another man in a light yellow kurta is also holding the plaque. The backdrop features the text 'LEADERS III', 'AWARDS', and '2017'.

EDITORIAL

As the years pass by, it fills me with immense pride to be a part and witness to the remarkable achievements of our school community. From academic triumphs to outstanding performances in sports and arts, our schooland students have demonstrated exceptional dedication and talent. The collective efforts have not only garnered accolades but also fostered an environment of growth, creativity, and positivity.

This year the school grabbed new heights in all arenas, be it academics, co-curricular or sports. Each of the accomplishments is a testament to the hard work, perseverance, and passion which we imbibein our students and the unwavering support and commitment of the faculty members and parents. It is through these collective efforts that we continue to build a vibrant and thriving school community.

This year we have re-introduced student entries in form of art works, poetries and creative writings. As we look ahead, we are excited to announce invite for genuine, original creations for our upcoming editions of school magazine, a platform that celebrates our school's boundless achievements and accomplishment and the diverse talents and voices within our community. Your unique perspectives and creative expressions would truly add new definition to the annual school magazine, Badte Qadam.

We encourage you to let your imagination soar and your voices be heard. Whether you are an aspiring writer, poet, or artist, this is your opportunity to shine and inspire others. Submit your entries and be a part of something wonderful, as we continue to document and celebrate the extraordinary spirit of our school. looking forward to your enthusiasm and support.

Ms. Pooja Balodhi
