**CIRCULAR**  
**SCHOOL TRANSPORTATION FACILITY**

Dear Parents,

Greetings!

At Bal Bhavan we understand that the need for safe passage of each child to school and back home is of paramount importance. To ensure the same, the school is introducing its own fleet of school buses from **4<sup>th</sup> April 2022**, designed as per standards and manned by trained drivers, sensitized to the needs of small children.

The school transportation is equipped with the following facilities as laid down by the transport department: -

- ❖ School buses are spacious with a required capacity to accommodate students.
- ❖ Every bus has a teacher to ensure proper discipline and safety of students.
- ❖ For ensuring additional safety of our students, the buses will be GPRS enabled to track the exact location of the school bus at any given time.
- ❖ The school buses have CCTV cameras and a speed governor installed for the safety and security of the students.

The transportation facility is available from the new session, the timings for the new session will be as follows: -

- Nur, K.G and I - 9:00 am to 1:00 pm
- II to XII - 8:00 am to 2:00 pm

Thus, for classes Nur, K.G and I the buses will ply after 1:00 pm and for classes II to XII the buses will ply after 2:00 pm from the school. The interested parents can go through the transportation guidelines given in **ANNEXURE A** attached with the circular and can give their consent for availing the school transportation services.

The consent form is also attached here with the circular as **ANNEXURE B**, kindly download and fill the same and send it to- [transport@bbpsmv.com](mailto:transport@bbpsmv.com) or you can give a duly filled and signed hardcopy to the class teacher of your ward or at the school reception latest by **10<sup>th</sup> March 2022**.

We are dedicated for providing our best to our students which could not be accomplished without your support, thus looking forward to your cooperation in making this 'endeavor to succeed'.

Regards

Principal
